

Van Buren Electorate to Decide Two Controversies

BELLEVILLE--A Special School Election calling for a millage increase of five and one-half mills for school operation and a Special Referendum Election involving a land rezoning in Van Buren Township now await decision of township voters.

The elections, both community-wide controversies, are scheduled for Monday, May 6, and Tuesday, May 7.

Voting precincts in both the Van Buren Public School District and those for Van Buren Township elections will open at 7 a.m. and remain open until 8 p.m. All in line at closing time will be permitted to vote.

Both school officials and township administration urged

all qualified voters to vote in their respective special elections.

It is the first time in some years that two elections have been set on consecutive days, it was reported.

ON MONDAY, the school system will again be asking some 7,500 registered voters to approve a mill hike of \$5.50 per \$1,000 of assessed property valuation, state equalized.

In the special school election March 4 last, voters rejected the same request by a vote of 1,499 to 511.

A millage renewal proposition of \$4.50 expiring this year was approved in that election.

The school board reported that if voters reject its second request for the 5-1/2 mills required to maintain current programs and services and to meet increased costs (despite anticipated rise in state aid and some

additional revenue from increased property valuation of the township), then the school budget for the new school year would have to be trimmed some \$550,000. This, they stated, would mean cutbacks in services and programs.

THE MILLAGE, if approved, would be for school operations for a five year period from 1968 to 1972.

Current school millage stands

at 23.40 mills per \$1,000 of assessed property valuation, state equalized.

School voting precincts are located at Belleville High School, Denton Elementary School, Rawsonville Elementary School and Elwell Elementary School. Those for township elections are at the Township Hall, 46425 Tyler Road and the Fire Hall, 130 Fourth Street, Belleville.

Qualified electors and tax

paying property owners living within the limits of Van Buren Township will be eligible to vote in the rezoning dispute that has raged on for the last few weeks.

Approximately 3,904 voters will be asked to either vote Yes or vote No on the land rezoning controversy.

Van Buren Township Board had approved the rezoning from single to multiple dwelling 147 acres of land fronting Belleville

Lake and generally bounded by I-94 Expressway South Service Drive, Denton and Beckley Roads and the north shore of Belleville Lake.

OFFICIALS OF the Van Buren Planning Commission also approved the rezoning as well as the Wayne County Planning Commission which had recommended the rezoning.

Romulus Approves First Building Authority Board

ROMULUS--A resolution authorizing and adopting the Articles of Incorporation for Romulus Township's first Building Authority Commission was approved unanimously by Romulus Township Board in a special meeting held last Thursday, April 25.

The action of the Township Board sets in motion a building program that when and if completed will construct Rom-

ulus' first municipal complex, Edmund Bizek, township supervisor, announced.

The resolution was approved on motion of Township Clerk Alfred J. Perry, who was supported by Township Treasurer Joseph Wallis.

The Building Authority Commission was proposed and approved by the Township's electors at their annual meeting held March 30.

THE PROPOSED building program calls for the construction of a Municipal Building, Library and Police Headquarters.

The Municipal Building will supplant old and obsolete structures now housing most of township facilities.

The Board also approved the initial membership of the Building Authority Commission.

Board members accepted and approved recommendations submitted by Bizek. They are: Edward Stewart, of the Manufacturers National Bank, Romulus, one-year term; Edmund Galaska of the National Bank of Detroit, Romulus, two-year term; and Howard Dubinsky of the F & M Market, Romulus, three-year term.

The Building Authority would initiate a bond-financing program for the proposed construction program and when this is completed would lease the facilities to the township.

RENTALS COLLECTED would be used by the Building Authority to retire the bond issue (amount to be determined) that would be issued for financing the building of new administrative offices and facilities proposed. These would be turned over to the Township when the bonds are retired.

Township officials reported that Romulus' Municipal Complex could be ready for occupancy within two years, if the present plans proceed according to schedule.

The articles of incorporation for the Building Authority are to be published following legal study by Township Attorney John Young.

Your Ballot Is Important

Two important elections confront Van Buren Township voters next week.

One is a Special Election on school millage increase proposition calling for an assessment of \$5.50 per \$1,000 of assessed property valuation, state equalized, scheduled for Monday, May 6.

The other is Special Referendum Election Vote on a rezoning of 147 acres of township located land owned by Henry and Zora McMullan for the construction of a large apartment complex, scheduled for Tuesday, May 7.

Much has been said, pro and con, on both issues. Area residents have voiced in no uncertain terms, their feelings on both the proposed school millage hike and the land rezoning.

We earnestly urge all eligible voters to go to the polls Monday and Tuesday and cast their "all-important" vote. In this way, they really have the power to say yes or no, thus settling two controversies that have raged on during the past several weeks.

We realize that going to the polls on two successive days may be a hardship on some. It is too bad that these elections were so timed.

But we emphasize that the importance of the issues involved to the community of Van Buren Township warrants the attention of all registered and qualified voters to make every effort to go to the polls and cast their decisions by the power of the ballot.

ON MOBILE HOME PARK

Van Buren Township Board Sued By Firm in Rezoning Rejection

BELLEVILLE--A complaint for a writ of mandamus has been filed in Wayne County Circuit Court against Van Buren Township Board of Trustees.

The complaint names as defendants, Louis A. Toth, township supervisor; Mrs. Erna Jean Payne, township clerk; Frederick Birk, township treasurer; Joseph Hogan, Jerry Maton, William VanDeCar and Edward Skelton. All are officials and individuals constituting the Township Board.

The court proceedings was initiated by Vertex Development Company of Romulus, owner of 50 acres of land, located on

Hannan road between Ecorse and Van Buren roads. The firm also owns some 250 acres of land adjacent to this parcel which is involved in a rezoning dispute.

The company filed a request on Feb. 22, 1966 for a rezoning of the 50 acres from heavy industry to mobile home park. The petition was approved by the Township Planning Commission and Wayne County Planning Commission. Thereafter, rezoning was first approved by the Township Board on Nov. 16, 1967.

THIS APPROVAL was later rescinded by the Board when

description of property lines were found to be faulty. The suit alleges that the property's description was copied and described improperly by a township official when the original description was "somehow lost through error."

The rezoning request was again presented to the Township Board on March 12, 1967; it was denied by a vote of 4 to 3. Toth voting against rezoning thus breaking a tie.

On March 15, the suit discloses, the firm requested the board to reconsider its action and pay the prescribed \$175 fee for a special hearing.

The petition was granted by

a 3 to 1 majority on March 22. The firm afterwards entered into a contract for engineering services with the Louis Cantor Company and presented this information to Mrs. Payne, township clerk, on March 25.

THE SUIT charges that Toth initiated "on his own authority" a meeting to be called for the evening of March 25, "without formal or proper notice."

The firm's attorney appeared having been advised that the

Next Monday, May 6, the voters of the Van Buren School District will have another and

probably final opportunity to decide whether or not our fine, high quality school program will be continued or whether it will have to be curtailed.

During every election campaign, misinformation, misleading statements and much extraneous material is presented to the voters with the sole purpose of confusing the issue and insuring defeat of the proposal.

It is my hope that in this article I may be able to shed some light on the subject and clear up some of the confusion.

The need for additional school operating funds stems from the fact that rising prices and increased labor costs have forced the cost of operating our schools upward at a faster rate than State Aid and property taxes can keep up with.

True, we have had increases in State Aid and increases in property valuations but these have not been enough to stem the tide of rising costs due to the wage-price spiral.

Issues Are Two Important Decisions Facing Voters

The Belleville area Chamber of Commerce has voted overwhelmingly to endorse the proposed Lakeland Park Apartment development as beneficial to the prospects of the Van Buren Township area.

Decision to back the plans for 2,000 luxury apartments, plus golfcourse and two community houses with pools, emerged from balloting conducted by Justin Emerson, president, and Ted F. Kuckelman, new Executive Director of the Chamber.

The member vote (by a secret post card vote) came as the township approached a decision in a special referendum scheduled for next Tuesday, May 7, when property owners will vote approval or disapproval of rezoning action taken by the township board.

A "yes" vote will approve

the rezoning of 147 acres of McMullan land embraced by the freeway service drive, Beckley road and Belleville Lake. Developer Frank J. Volk, Sr., Justin Emerson, president, and Ted F. Kuckelman, new Executive Director of the Chamber, as approval is voted.

THE HOT rezoning issue will be settled a day after Van Buren school district voters go to the polls on another critical decision - the May 6 vote on 5.5 mills of operating revenue sought by the school board for the second time.

FOR SCHOOL BOARD

Baldwin, Dr. Muse Seek Re-election

BELLEVILLE--Two present members of the Van Buren Township Board of Education, whose terms expired this June, have announced campaigns for re-elections.

Manley J. Baldwin, 42, of 12044 Ryznar, and Dr. Richard R. Muse, OD, 42, of 14350 Louisa drive, have taken out nominating petitions for new four-year terms that voters will decide in the regular school election, June 10.

Baldwin was first appointed to the school board to fill a vacancy by the resignation of Arthur W. Hill. He then ran last year for the unexpired one-year term remaining of Hill's four-year term and was elected.

He is a sales engineer at the Chicago Rawhide Manufacturing Company, Detroit. He holds a manufacturing en-

gineering degree from the Detroit College of Applied Science and is a Belleville Kiwanian.

Baldwin and his wife have been residents of Belleville for some 19 years. They have two married sons and two sons residing at home.

Dr. Muse is completing his first four-term on the school board.

He is married. He and his wife, Madeleine, are parents of two children: Nancy, 9 and Richard, Jr., 11.

He attended Wayne State University and later graduated from the Northern Illinois College of Optometry, Chicago. He has offices at 159 Main Street, Belleville. He has been a resident of the Belleville area since 1954.

The Board of Education set 4 p.m., Saturday, May 11 as deadline for the filing of nominating petitions. Petitions will be accepted from any registered, resident property owner, or his spouse, who presents petition bearing signatures of no less than 20 registered school electors of the School District. No elector may sign a petition for more than two candidates.

Post Card Vote Supports Issues

BELLEVILLE--The Belleville Area Chamber of Commerce has issued a blanket endorsement of two community issues facing the decision of Van Buren Township voters next week.

Township qualified voters are being asked to cast ballots in two elections.

A special school election will be held on Monday, May 6, on a proposed Millage Increase Proposition calling for a levy assessment of five and one-half mills and then return to the polls on Tuesday, May 7, to decide a rezoning dispute that has raged on for several weeks, involving the construction of a multiple apartment complex.

The chamber's Board of Directors conducted a secret postcard vote of membership last week on both election issues.

THE RESULTS were disclosed last Thursday, April 23, by Justin Emerson, president; Ted F. Kuckelman, executive director; and Merrill R. Bird, chamber official.

Emerson reported that majority of membership was in favor of the proposed mill hike for school operation and for land rezoning. He also reported that some members voted in favor of only the millage boost, while others voted only for the rezoning.

In tabulating totals of voting, taken separately by the membership, he stated that members were almost three to one in favor of both issues. The three officials, in a statement issued jointly, said:

"After consideration of all the facts, polling of vast majority of members made it incumbent on the part of

SPECIAL PICK-UPS Area Officials Issue Clean-Up Week Call

BELLEVILLE -- Spring Clean-Up Week and in some areas Clean-Up Month, is coming up shortly.

Mayor Royce E. Smith, Supervisors Louis A. Toth, Edmund Bizek, Michael Kosma of Van Buren, Romulus and Sumpster Townships respectively, call upon community residents to be good citizens by joining neighbors in doing a bang-up job of spring cleaning.

Government administrative staffs are preparing clean-up programs that begin May 1. In some areas of Western Wayne County beautification programs are already underway.

CLEAN-UP. Paint-up and Fix-up activities should be a constant program of homeowners.

ers. Officials maintained that such programs not only enhance properties' valuations but make residential living more enjoyable.

Spring Clean-Up is also an annual reminder to make homes fire-safe and protect both lives and property by disposing of trash.

Old newspapers, oily rags and other rubbish are a fire hazard and create fuel upon which fires are fed, area fire chiefs report.

Carelessness is the cause of most home fires, but letting combustibles stack up in the attic, basement or elsewhere in the home merely adds to the danger of fire, they added.

In Van Buren Township, residents may telephone the Township Hall for special pick-ups of trash, Mrs. Erma Jean Payne, clerk, announced.

The month of May will be Clean-Up Month in Van Buren. Belleville is also planning on special pick-ups.

Belleville Hospital Is Accepted

BELLEVILLE -- The Belvil Community Hospital serving Belleville Area and adjacent Western Wayne County communities has been accepted for membership in the American Hospital Association, national hospital organization, William E. Hinchey, administrator of Belvil Community Hospital.

Membership in the American Hospital Association is a credit to those hospitals that meet its qualifications and are accepted for membership, it was stated. Belvil Community Hospital is a 70-bed medical facility located at 105 Main Street.

The Altar Society of St. Aloysius Church, Romulus, is busily making plans for the annual Mother and Daughter Banquet which will be held May 14. The affair will get underway at 6:30 p.m. in the St. Aloysius School Social Hall, Neville street.

Tickets are available from Janet Crook (WH 1-3589), or at the door. The price is \$1.50 for adults; 75¢ for children under 12 years. Daughters under five years will be admitted free.

The dinner menu will consist of chicken and meat balls with

all the trimmings. It will be served by the men of the Holy Name Society.

Program Chairman, Pat McDonnell, is planning a fine program for the occasion. There will be favors for the ladies and lots of door awards.

Finishes School

BELLEVILLE -- Hospitalman Dennis W. Dunn, USN, son of Mr. and Mrs. Lowell H. Dunn, of 43430 Ecorse, was graduated from the 14-week basic Hospital Corps School, Great Lakes, Ill.

FIREMEN IN ACTION—Members of Van Buren Township's volunteer Fire Department, Fire Station No. 1, fighting an upstairs fire at 48610 WestHuron River Drive. The home is the residence of U. O. Good. Firemen reported that the recent fire was caused by the heat of a bedroom lamp that ignited a pillow. No one was reported injured.

TO COST \$3,050,000

Huron Township Residents Vote Next Monday on Sewer Program

NEW BOSTON -- A Special Referendum Election on a proposed \$4,050,000 sewer program for Huron Township will be held next Monday, May 6. Some 2,800 registered voters are eligible to go to the polls to decide the new planned sewer program that has been a "heated" controversy in the township the last two months. Voters will vote on two Con-

tract Propositions involving: first, the construction of sanitary sewer improvements in the township at an estimated cost of \$3,140,000 and secondly for constructing sanitary sewer improvements for Huron Township and the City of Flat Rock with the Township's share of an estimated cost of \$910,000.

THE TOWNSHIP'S five precincts will open at 7 a.m. and remain open until 8 p.m., with all in line at closing time being permitted to vote.

Area residents have objected to the sewer program claiming the additional tax burden required to finance the sewer program as "excessive."

The Michigan Water Resources Commission has ordered the Township to install the sewer project for the elimination of pollution in the Huron River.

If voters approved the program, Wayne County Road Commission, that has pledged its full faith and credit in the construction of the sewer projects, will undertake the building program.

MANY HEARINGS have been held in the township since residents initiated the referendum vote.

George Angel, township supervisor, urges all to vote stating that the proposed sewer

program is "vital" to the future growth and development of the township.

"This is the most important program in the history of the township. It is essential to the health and growth and future industrial expansion of the area. We have a lot of pros and cons on the proposed program. The additional millage required to finance the sewer program is six mills per \$1,000 of assessed property valuation, state equalized," Angel said.

Many of the township leading business and professional people as well as civic organizations are supporting the program, he stated.

The township's financial consultants, township engineers, and township attorney have recommended approval and urged the program's adoption.

Many residents maintained that township voters should decide the issue by a referendum vote and had lent their support to petitions calling for the election.

Angel had reported that the vote would delay the time schedule for sewer construction and jeopardize a federal grant of \$452,000. Construction deadline has been extended to this June 30.

Angel disclosed that regardless of the outcome of the election, the township is under a directive to proceed with the

program and would be compelled to do so under a Wayne County Circuit Order that would be procured by the Water Resources Commission.

Wetherell Denies Job Rumors

BELLEVILLE -- Reports that Harold O. Wetherell, superintendent of Van Buren Public Schools, will be retained by the Board of Education as a salaried consultant or in some similar capacity in the school system after his retirement becomes effective June 30, 1968, were emphatically denied.

"Such reports or rumors are an out and out lie. I am through with Van Buren Public Schools June 30, and will not be retained in any capacity whatsoever," Wetherell told the Enterprise-Roman when contacted on the reports being circulated in the community for the past ten days.

Wetherell stated that when he leaves his post June 30, after some 14 years, he will immediately leave on a trailer cruise of Canada and United States and be gone all summer.

Readers Make Final Support Pleas on Election Views

TO THE EDITOR: Citizens, will you be satisfied by a big promise with a big IF? Or are you interested in good, solid, true facts backed by figures that can be found in a paid ad of this week's paper? These facts and figures were obtained from the surrounding school districts for a true comparison with our own school tax base. These were obtained by Van Buren Township Civic Association members so that you will have a true picture before May 7.

Will you accept these true facts or will you accept estimations and promises of a big possible tax bonanza IF the project is completed at the expense of all local citizens and the gain of outside interests?

VOTE NO MAY 7th, Van Buren Township Civic Association James L. Borst Chairman

TO THE EDITOR: I would like to know why Mr. Volk thinks that those apartment houses have done such wonderful things for Troy? The people in Troy thought they were so wonderful that they have BANNED any more apartments from being built! Their taxes more than doubled and will soon

triple. So that's why the people in Troy don't want any more "tax bonanzas."

And did you know that Ypsilanti also has had its fill of apartments, within the very recent past it also banned apartments, and if you don't believe me call up the Mayor.

Ypsilanti has an example of a "beautiful large apartment complex," you see it as you come off I-94 on Grove Road. There are no windows yet, however, it has just been a couple of years since this "tax bonanza" got started. Maybe in a few years they might even finish the rough carpentry. Is this what we want in Belleville—I think not!

Mr. Volk has never once stated how this thing is going to be financed. If it flops we are the losers, and then will Van Buren Township ban apartments?

MR. VOLK says his apartments will cost 30 million dollars, this works out to be \$15,000 per unit. Anyone who knows rental units immediately will tell you this figure is fantastically high, unless he is going to put in a 10 million dollar swimming pool and 5 million dollar golf course! Let us say that these units will cost \$9,000 each, this gives us a total value of only \$18 million dollars and the tax valuation will be only half of this, far from what has been claimed.

Van Buren Township now has the LOWEST tax rate of any township in this whole area. Van Buren Township also has the FEWEST apartments of any township. This is not chance, an apartment house, just like a trailer park always costs more than it gives back in taxes.

Don't believe the exaggerated and distorted claims to the contrary. Someone will be paid to pay and it will be YOU.

There is only one way for you to save your community, VOTE NO on May 7.

MR. & MRS. Peter W. Rekshan

this apartment project will affect your way of life.

Progress will come to Van Buren Township in many forms, some desirable and some not so desirable. The interest shown by our citizens on this issue will, I hope, show our politicians that as this progress develops your voice will be heard.

I WROTE once before about the "ping-pong" politics in our township and I think you should know the latest developments in them. Do you recall the trailer park, industrial park proposed by Mr. Cox that has been approved and disapproved four times by our Township Board?

Mr. Cox is now suing our township and last Thursday Mr. Toth, and each member of the Board of Trustees, was presented a summons to appear in court on this issue. Is this the kind of stable government that any honest business or industry would want to deal with? Is this the reason we have to settle for apartment houses instead of industry? Is this what happens when you give politicians the right to control your lands?

It is obvious to me that big business interest has crept into our government and in my opinion a vote AGAINST the McMullan apartment project may be the first step toward creating a democratic government in Van Buren Township. Remember, my friends, May 7 is a day of decision in your lives. Don't miss the chance to participate in democracy. When you go to the polls take your neighbor along and regardless of how you vote—JUST VOTE.

Rodney Bly

more picturesque than row-upon-row of single homes. Mrs. Mary Love asked "How do you know what type of homes would be built . . . ?" In his written answer the reporter then has answered her own question by saying "At least with Lakeland Park you have some idea of the beauty of the development."

This creates the impression that Mrs. Love supported the apartments. Actually she never made this statement. As every one who heard her knows, Mrs. Love spoke in direct opposition to the apartments!

IN ANOTHER instance, it was accurately reported that I raised the question whether the Volk interests or the Civic Association represented the will of the majority in Van Buren. This time, however, the reporter conveniently left out my answer, which was an important point in my address to the meeting, to wit: "Almost 30% of the eligible voters in the Township signed the referendum petition which will give people the chance to oppose the rezoning issue on the May 7th ballot." Frankly, this was either sheer incompetence, or a most brazen violation of journalistic ethics.

Here are some other facts about how the paper has covered the rezoning issue: The long quotations lifted from the Volk presentation undoubtedly came from written copy.

By contrast, no attempt was made to obtain copies of the Civic Association's presentation. Neither has any member of the association ever been contacted at any time during this campaign by anyone from the local paper.

Further, at least one feature article on the Volk family or the proposed apartments has appeared in the last five issues of the paper. The Association's only publicity has been through the Public Letter Box.

I hope that each reader of this letter will keep all this in mind when weighing what he has read about the rezoning issue.

William F. Jenkins, Van Buren Civic Association

TO THE EDITOR: Concerning the McMullan property rezoning, the following Department of Housing and Urban Development programs may be of interest to your readers (and voters.) reference pamphlet 1966-0 214-178, U.S. GPO

1. Local public agencies may apply for "Interest free Advances" to assist planning for recreational projects which help communities to deal with their total needs.

2. Other "Grants" are available to provide from 50% to 90% coverage of expenditures for Urban Beautification, Parks, and other Recreation, Conservation, and Scenic Areas.

3. "Grants" are available to cover up to two thirds of the project cost of certain specific projects—i.e., Youth Centers, Community Centers, etc., to provide health or recreational services.

IT WOULD appear possible for the Community to purchase the McMullan property for the above uses with the Federal program paying up to ninety percent of the acquisition and development cost in order to provide a recreational area and center for the people.

Also of interest—

1. Mortgage amounts up to \$12,500,000 (12-1/2 million) are insured by the federal program to provide F.H.A. rental housing for low and moderate income families. Who may apply?—Builder-Seller and Limited Distribution Mortgages (among others listed).

2. Up to Ten Million Dollars F.H.A. Mortgage Insurance is available for land development. Ratio of loan to property value: 90% of ESTIMATED development cost. Who may apply?—any mortgage entity (other than a public body) approved by the F.H.A.

Under the proposed plan, 147 acres (plus the Maton property for the golf course, etc.) will be developed into a multi-million dollar absentee ownership enterprise, financing secured by our Federal income tax dollars.

As a resident, I would rather prefer individually owned homes, individually owned town houses (if density is this important), or a park-recreational area.

As a conservationist, I dislike the idea of a public resource being used for private gain (Belleville Lake is the big selling point) as there is plenty of available land. As a patriotic citizen, I dislike the use of Federal money to guarantee loan repayment secured under the guise of a program to lower our taxes. We must accept the fact that the DESIRABLE tax base of INDUSTRY will never move in if we load the area to 90% residential with the resultant high level school tax potential.

TO THE EDITOR: On Thursday, April 18, the Volk interests and the Van Buren Civic Association presented their arguments for and against the proposed Lakeland Apartments to the Belleville Chamber of Commerce. Last week's Enterprise - Roman (April 24) carried an account of the meeting on page two.

As one of the speakers for the association, I was positively shocked by the incredibly distorted reporting of what actually was said by our people. These were no mere typographical errors. For instance, at the meeting a Volk spokesman claimed that apartments would be much

Clean-Up Week

Spring Clean-Up Week is at hand, which means that it is time for every one of us to participate in a community-wide "spruce up you home" campaign.

It doesn't take much energy and planning and should be a constant program.

Simply go through your house from top to bottom, and throw out trash that has accumulated during the winter. Get out the rake Saturday morning, and rake the yard. Throw a few handfuls of grass seed on the bare spots on your lawn.

That's all there is to it. But—

- You'll beautify your home.
- You'll help beautify your town.
- And...at the same time, by throwing out old newspapers, old magazines, empty paint cans, and other trash, you'll have eliminated potential fire hazards...for the American Insurance Association and area fire officials reminds us that trash is the stuff on which fires feed.

Goodwill Week Example is Cited

National observance of Goodwill Week this year will come during the period May 5-11.

Founded at the turn of the Century, Goodwill Industries today has built the largest network of private vocational, educational agencies in the world serving all types of handicapped people. There are now 136 autonomous Goodwill Industries, 42 branch workshops in 178 cities in the United States and another 22 located abroad.

The purpose of Goodwill remains the same—to rehabilitate disabled lives and limbs. In recent years, the emphasis on the idea of service has been greatly expanded.

OF THE 80,000 people being helped by Goodwill some 50,000 receive the traditional job opportunity and experience. But, half of these persons are also being helped by additional evaluation, counseling, psychological and medical care and therapy.

In 1967, the 50,000 employed handicapped persons earned \$37 million instead of living on charity from friends or relatives, or on a dole from government agencies. They paid a total tax bill of \$3.5 million.

But, the importance of Goodwill Industries cannot be measured in money alone. Its most important contribution to the nation's life lies in what it gives to those it helps in terms of hope, self-respect and a chance to build productive, interesting lives.

The spirit of initiative and self-help represented by this fine organization is exemplary. This nation could use large doses of the same spirit in the running of more of its affairs.

TO THE EDITOR:

This is the 11th hour...the last few days before you, the citizens of Van Buren Township, will go to the polls on Tuesday, May 7, to decide my case. And it therefore is fitting that I sum up before the jury of my peers the case for Lakeland Park Apartments which I propose to erect on land known as McMullan Point.

It is indeed unfortunate that so much has been made of this apartment proposal for I believe that the entire township will benefit from it and this election is costing taxpayers \$3,000 which they could have used for parks, police or fire department improvements.

But there were petitions circulated and according to law the rezoning issue must be placed on the ballot...and I believe the majority of people in Van Buren will vote "Yes."

I HAVE written in these series of letters in the Enterprise-Roman what I know are the facts of the Lakeland Park issue. They are:

- Van Buren Township and the Van Buren School District will receive a minimum of \$720,000 annually after my project has been built. These schools, alone, will receive at least a yearly sum of \$460,000, which means about five mills if broken down in tax rate. If Lakeland Park is not built, this five mills will have to come from property owners.
- Lakeland Park Apartments is the best use of the McMullan Point land. The township planning consultants (professionals), the township planning commission and the township board overwhelmingly recommended that our project be built there. Still, a small minority of people insisted that a township vote be taken.
- Lakeland Park will be built, if zoning is approved by the voters. Make no mistake about this. Financing the \$36 to \$40 million project will be no problem at all. In fact, I have several mortgage firms already vying to finance it.
- I have been in the building business for more than 40 years and if there is anything I have learned it is to follow the market trends...and I have been successful.

The market in the corridor between Detroit and Ann Arbor following the Willow Run Freeway is tremendous. There is no question that my apartment units will be rented quickly and the stable nature of this Detroit-Ann Arbor area will make for stable residents of Lakeland Park.

MY APARTMENT project will be among the most picturesque in the Detroit area and possibly the nation. This project will have features unknown in most others. Such items as washers and dryers in every unit, fireplaces, private balconies and paneled walls are seldom, if ever, found in an apartment.

The units will be carpeted and drapes will be provided. They will be air conditioned and well designed with lots of closet space provided. The project will have two swimming pools, two community houses, tennis courts, a sauna bath and gymnasium and plenty of parking space.

Endorsements: Lakeland Park has been endorsed by the Belleville Area Chamber of Commerce. As its president, Justin Emerson stated, the vote by members for Lakeland Park was "very decided" in the apartment's favor. School board members, although not able to take an official stand, did endorse as individuals, any such addition to the tax base as being "highly beneficial" to the Van Buren School District. The township board and the planning commission, each voted in favor of the project.

If all these groups endorsed Lakeland Park, then why are you voting May 7? Don't ask me, ladies and gentlemen. Ask those persons responsible for the petitions.

AND SO now it is up to you. You can either vote "Yes" in favor of rezoning the McMullan property and obtaining more than \$720,000 yearly in taxes without increasing your own tax share, or you can vote against Lakeland, in which case the property will probably be built up with single-family homes that will necessitate the school system going into further debt of nearly \$100,000 annually.

It is your choice. Let it be a choice that takes into consideration the future of your entire community. Let it be a choice that takes into consideration your own and your neighbor's school children and the benefits that my tax money will mean to them.

But remember: You cannot obtain this money unless you GET OUT AND VOTE FOR IT. Tell your neighbor. Tell your friends. This is not Democrat. This is not Republican. Instead it is something that will effect your own pocketbook. So VOTE and VOTE YES TUESDAY, May 7.

Frank J. Volk, Sr. and Family

TO THE EDITOR:

I am sure you are as tired of reading about the McMullan apartment project as I am of writing about it, and this is the end—I HOPE.

I wish I had enough money to afford a full page advertisement about the disadvantages of apartment houses. If I did, I would try to use the truth, not distortions in my ad. We have heard many distortions, and, in some instances, absolute lies from the "ghost writers" who try to discredit the people who oppose this project.

These letters are all written by the same person. One who CAN afford a full page ad. If they were written by sincere citizens of Van Buren Township they would be signed just as the letters that oppose this project are.

The facts and issues presented by the honest writers aren't figments of their imaginations or "pipe dreams" to compound the problems, they are just simple truths.

PEOPLE WHO are interested enough in the future of their community to write a letter to the editor and sign it, do not have to lie to get their neighbors' attention. They know, as I am sure their opponents know, that once a lie is started, you have to keep making lies to protect the first one.

The time to think about your future is NOW. The opportunity to voice your opinion was given to you by 864 of your neighbors who signed the petition for the referendum vote on May 7. They were enough concerned about the future of our Township to fight back against the "big money boys", and the politicians who had decided to run over Van Buren Township with their special brand of "progress." Do not let their effort be in vain—VOTE.

Mr. Volk, and his associates, will undoubtedly try a last minute grand stand play such as a handbill in our mail boxes or perhaps a letter sent to our home. This will give you the opportunity to discuss this issue with your friends and neighbors, and discuss it you should, for

(see page 26 for additional pictures)

THEIR FIRST JET RIDE---Romulus Clerk Alfred J. Perry and his wife, Sara M. posed with their children prior to take-off at Metro Airport last Saturday when readers of Associated Newspapers were invited to partake of North Central Airlines' "Scenic Flight". Left to right are Perry, Theresa, Alfred Joseph Perry Jr., John Phillips, Gilbert Paul, John Thomas, Ronald David, Raymond Andrew and Richard Michael and their happy and proud mother, Mrs. Perry.

HAPPY PASSENGERS---Mr. and Mrs. Edmund Bizek were happy passengers aboard the DC-1 North Central Airlines Super DC-9 Jet with other area officials and their wives during the airline's "Scenic Flight" last Saturday afternoon. Some 800 residents from Western Wayne County communities partook of the airline's and Associated Newspapers special flight offer. Bizek is supervisor of Romulus Township.

SCENIC FLIGHT PARTICIPANTS---Romulus Police Chief Jacob J. Koch, his family and guests ready to board North Central Airlines' Super DC-9 Jet Saturday. After the flight which was arranged with airline officials by Associated Newspapers for its readers, all reported an enjoyable trip. Left to right are Miss Denise Charette, Mrs. Mary Charette, Mrs. Eileen Koch, Frank Koch and Police Chief Koch.

Capt. Howell Ends Jet Class

BELLEVILLE -- Wendell Howell of 12300 Ryznar Drive returned home Saturday from Minneapolis after successfully completing an intensive six-week period of ground and flight training with North Central Airlines for the DC-9 Jet Airliner. Captain Howell has been employed by North Central for 16 years and has resided in Belleville for 12 years.

Van Buren Retains Services

BELLEVILLE -- The Van Buren Township Board of Trustees last week (April 23) approved the following legal, consulting engineering and accounting services for another year:

The Board approved the renewing of these services as the Township began its 1968-69 fiscal year, April 1.

The law firm of Berry, Hopson, Francis & Mack were retained as township attorneys; Morris Levine & Associates, as township engineering consultants; Schiff & Levy were retained as township's certified public accountants.

All other employees currently on the staff were also retained as well as George W. Bevers, Jr., 7678 Marlowe street, caretaker of Van Buren Township Cemetery.

Jaycees Issue Call

ROMULUS -- A Membership Meeting of the Romulus Jaycee Club will be held tomorrow (Thursday, May 2) at the Mt. Pleasant Elementary School, located at 39000 Superior and Hannan Road, Harold Connon, club president, announced.

Club officials extend an open invitation for club membership to men between the ages of 21 to 35.

Romulus Jaycees' current goal is a membership of 42. If successful, the club is eligible for the "coveted" Gold Ship Award.

The Romulus Jaycee Club is one of 23 Jaycee Chapters that is eligible for the honor which signifies continuous growth in membership and meeting other criterion set by the National organization.

For further information young

men interested in joining the Jaycees are asked to call any of the following officials: Connon at 778-4578; Ron Collins, vice-president, at 941-3768; Ron Halvin, vice-president, at 941-2880; or Gordon Silvey, director, at 941-2488. New members will be sworn in by Pat Duggan, president of Michigan Jaycees.

Mini-Dance is Success

BELLEVILLE -- Once again the Mothers Auxiliary of Boy Scout Troop 231 has held a successful teen activity for the young people of Belleville.

Several hundred Van Buren school students danced to the music of the Rising Society, Saturday at Belleville High School.

The Auxiliary would like to thank the businessmen of Belleville for their donation of the door prizes.

The first of two portable televisions was won by Mrs. G. Caudle, 5625 Sheldon Road, the second set was won by W. Fischer, 21911 Fresard, St. Clair Shores.

Other prizes were won by

Robert Sears of Belleville, T. Klester of Wayne, Terry Woody, R. E. Taylor, and T. Blackburn, all of Belleville.

The Auxiliary also announced that the tent fund has reached its goal of 20 tents and that by the time the scouts leave for Florida the troop will be fully equipped with new tents.

Oak flooring is easily applied over old surfaces. Nail strip style oak right over old wood flooring. And oak in the handsome unit-block style can be nailed to wood or laid in mastic over any hard surface.

Shower Of Fashions Highlights Hospital Week In Belleville

SHOWER OF FASHIONS, last week-end's style show at Belleville Junior High, was also a shower of local talent -- men, women, children, and even wee tots. The wee tots being the infant twin daughters of Councilman and Mrs. Donald Walters who opened the show with their little daughter, Mary Ann, and the duo, Marilyn and Carolyn (one or the other of them giving old dad just a tiny bit of trouble).

Winsome little girls in organdy and handsome young men in their Sunday best created a number of oohs and ahs from the full-house audience.

"Fat Bob, the Singing Plumber," entertained mid-way through the show with 45 minutes of operatic, Broadway, classical, and perennial favorites for his magnetized audience. His accompanist at the piano was Naomi Amos.

Fashions were provided by Dancer's, Dixie Shop, Kureth's, and Moss Brothers, of Belleville, as well as from the Dixie Shop, Ypsilanti, and Florence Bridal Shop, Ann Arbor. Hair styles were created by Adams Beauty Shop, Ginger's Beauty Shop, Ginnie's, and Pat's Hair Fashions.

DECORATIONS AND props were the courtesy of Bart's Nursery, Roberts Brothers, and Mrs. Carlos Purdue.

Rev. Allen B. Rice, II, opened the show introducing Lucy Gregory, of Ann Arbor's station WOIB, commentator for the show, which was coordinated by Mrs. Marcelle Ard and Mrs. Betty Archer. Organ background was played by

Al Nalli of the Nallis Music Company.

Mrs. Justin Emerson aided William Hinchey, Belvil Community Hospital Administrator, in drawing for the door prizes which

were donated by local merchants. Winners were Doreen Craven, Kureth's; Flo Hudge, Ben Franklin; Marge Pruitt, Manning's; Paula Bushelon, Gamble's; R. Kovac, Roberts Brothers; Janet Pitcher, Hamilton Hardware; Robin Lortenson, Kirk's Drugs; Eileen Graham, Detroit Edison; Ila Walters, Young's Market; Ruth Pollard, Wayne Federal; Dorothy Curtis, Dancer's; Ruth Apap, Box's Jewelry; E. Parvano, Moss Brothers; Bob Archer, Foodville; and Joe Apap, Ballard's Florist.

Proceeds from the show, held in conjunction with Hospital Week in Belleville, will be used for wheel chairs and other necessary equipment at Belvil Community Hospital.

Junior Study Club Has Guests

The Belleville Junior Study Club met April 17 at the home of Mrs. Thomas Norman, Angola street, with 20 members present and 20 guests from the Belleville Women's Study Club.

Mrs. Zaid Schroeder, International Affairs Chairman for General Federated Women's Clubs, was the invited speaker for the evening selecting for her talk "Suez to Singapore" which centered on international affairs.

Mrs. Don White and Miss Sharlene Tator were chosen as delegates to the G.F.W.C. Convention in Traverse City. Miss Tator was to model a hand-fashioned dacron knit suit during the fashion parade at the event which took place at the Park Place Motor Hotel.

Co-hostesses for the evening were Mrs. John Touse and Mrs. Fred Flavell.

LOCAL MODELS -- Only local talent was employed at "Shower of Fashions" -- the style show benefiting Belvil Community Hospital. Two of the mannequins, dressed in both casual and dressy ensembles, were Mrs. Tina Braniecki (left) and Mrs. Gladys Mast whose costumes were both from Kureth's Apparel Shop, Belleville.

GETTING AN ASSIST -- Handsome Little Dana Mitchell gets a little help with his tie from Karen Latoski who's all dressed to go fishin'. Children's fashions (the kiddies themselves) were the cutest part of the show which drew a full house crowd last Friday evening.

Joan Baker Takes First At Wayne County Dress Review

For the second year in a row, Joan Baker of the Belleville 4-H Club took first place in the dress review for Wayne County 4-H'ers. Three years ago she took third place in Wayne County. The Dress Review was held Friday, April 26, at the Ford Central Office Auditorium. From the county competition she will go to state competition to be held in August at Michigan State University. From there they will determine a winner to attend the National 4-H Show to be held in Chicago in November.

This is Joan's last year to compete in 4-H. She is a senior at Belleville High School and expects to be attending Central Michigan University in the fall. She has been a member of 4-H for eight years. She has won many blue ribbons, trophies and awards, including the Key Club award (the highest award given to 4-H members). In August of 1966 she was selected as one of the top 10 winners in Dress Review in the State of Michigan. She made a trip to Washington D.C. and appeared on television in connection with her 4-H work.

Joan is the daughter of Mr. and Mrs. Robert Baker, of 139 Clarence street, Belleville.

BACK TO WORK

ONE OF THE first items on this lady editor's list of reminders when she returned from a two-weeks vacation was 'thank Gail' -- and that's just how we intend to start this column after a two-issue absence. To Gail McKnight, who came over from our Westland office to fill in for me and make it possible to get away, we (and that includes the whole family) say thank you for taking over pages six and seven and doing such a fine job for our local readers. It's not easy when you don't know a single soul or recognize any names but Gail came through just fine. Thanks again.

YES, WE AMONG OTHER

YES, WE were among the lucky ones to enjoy our Easter holiday in the sunny South and I stress 'sunny' cause we basked in 80 and 90 degree temps during our entire 10-day stay in Tarpon Springs. Houseguests of the Leonard Hedges, my mother and dad, Bert, our three girls, and I drank up every minute of sunshine via both the solar system and fresh-squeezed vitamin - C.

While in Florida our Easter dinner was shared with the Hazen Kinnells, of Clearwater, (formerly of Belleville). Guests during the day were visiting Belvillites, Walter and Dorothy Skrzek, Karen and Tim, of Expressway drive; and Walter and Dorothy Schroeder and sons, Mike and Jeff, of Savage road.

We especially enjoyed touring Busch Gardens, where we watched the novel parrot show and rode the monorail through the Little Africa Zoo; and dining out at several marvelous places -- especially the fabulous Kapok Tree Inn near Clearwater.

The sad part was returning home just in time for Michigan's nippy change in the weather. Br-r-r!

But now, it's 'catching up' time and we've lots and lots of news for you this week. We scouted up news going back to Easter and we're sure you won't mind hearing about things that are just a bit in the past --?

EASTER VACATIONS

AMONG OTHER families who were away over the recent holiday were the Robert Perrys, of Harmony lane, who drove to Olton, Texas for a visit with Lucille's parents, the A.D. Meltons. Making the trip with them were their daughter, Patti, and son, Bob, and his two friends, Kenn Bleeker and Gene Turney, fellow B.H.S. students. The weather report during their 10-day sojourn was excellent -- ranging from 79 to 84 degrees.

Interesting highlights of the trip for the younger set were a guided tour through a cotton gin and a 'cattle feeding' -- stock being fattened for beef. They also visited Texas Tech at Lubbock and enroute stopped at Frontier City in Oklahoma City.

FLORIDA WAS the destination for Terry and Mary Davis and their little daughter, Theresa, the fore part of April. Their two week vacation was spent at Treasure Island and from there they branched out to see Cypress Gardens, and Busch Gardens while enjoying boating, fishing, swimming, and the dog races. Terry's brother, Craig, flew down for a week and a half during his semester break at the U. of M. The Davis' returned home in plenty of time to celebrate their little girl's first birthday on the 20th of April.

THE SKSZSEKS (whom I mentioned previously) motored southward the week before Easter and spent most of their time at West Palm Beach. They visited with friends from Ann Arbor, the Jack Hendersons, at Lake Worth and also included Cape Kennedy and a number of attractions on their itinerary. Basking in the sunshine (in order to return with such beautiful tans) was the most concentrated part of their trip.

A JET FLIGHT to Tampa was in the plans for the Walter Schroeders who were away for the holiday week. The Sunken Gardens, deep sea fishing, Busch Gardens and the monorail, the London Museum at St. Petersburg, dinner at the Kapok Tree Inn, an evening at Hawaiian Village, and a stop at Weeki-Wachee for the underwater mermaid show were among the highlights of their vacation.

GROVE ROAD residents, Mr. and Mrs. Balls Ritchie and their daughter, Patty, were away for three days over the holiday. Driving to Viper, Kentucky, they visited Mr. Ritchie's mother, Mrs. Abbie Ritchie, then continued on to Princeton, West Virginia to call on Mrs. Ritchie's mother, Mrs. Mildred Haga.

JOHN AND Marge Roberts of Lake Point Pass, were in Cleveland, (Euclid, to be exact) to spend Easter with his mother,

MISS MEGYESE

August Altar Date Planned

The engagement of Deborah Lynn Megyese to Harold Belanger is announced by her parents, Mr. and Mrs. Edward A. Curry, of 70 N. Biggs street, Belleville.

Miss Megyese, a senior at Belleville High School, will attend Cleary College in the fall. Employed at Hoot's Boots of Belleville, she and her fiancé are planning an August wedding.

The prospective bridegroom, son of Harold Belanger, of 8031 Belleville road, Belleville, is a Belleville High graduate currently attending Washtenaw Community College.

MISS MELTON

Parents Announce Engagement

Mr. and Mrs. Eugene Melton, of 44251 Willis road, Belleville, are announcing the engagement of their daughter, Judy Irene, to Robert F. Cuppett, Jr., of Belleville.

Miss Melton, a senior at Belleville High School, is employed at Mel's Cleaners, Belleville.

Her fiancé, the son of Robert F. Cuppett, Sr., of 119 Shaffer street, Kingwood, West Virginia, is a 1967 graduate of Kingwood High School currently employed at Motor Wheel Corp., Ypsilanti.

No date has been set for the wedding.

Trio At Dinner

Lillian Katz, Hazel Miller and Ruth Ann Knysz attended the 24th Birthday Dinner of the John Boltz Corps #273 Saturday, April 27. The Department President Darley Forster and Dept. Treasurer, Olive Caswell, attended with their husbands as did Thelma Borr, senior vice-president, and other officers.

Mrs. Katz presented a large Bible to Mrs. Pat Dumavitch, the J. B. Corps President, for their Corps from the John M. Wahl Corps in appreciation for all they have done.

Girl Scouts Busy With Activities

On April 3 Senior Troop #345 of Romulus, along with Cadette Troop #409, chartered a bus and traveled to Michigan's capitol in Lansing. At Lansing the Senior Troop received a Michigan flag from Representative Edward Mahalak. It was an exciting adventure for all.

The Senior Girl Scout Troop held a Neighborhood Songfest April 29 at Romulus High School, from 7 to 9 p.m.

Mrs. Harley Savage will be going to Secret Service the third of May. Accompanying her will be four Seniors from Troop #345. The Secret Service will be held at the University of Michigan.

The Senior Girl Scout Troop is in desperate need of paper. The money from the paper will be used for their trip to Washington D.C. this June. If you wish to help the troop, please call the Seniors' leader, Mrs. Harley Savage (941-0474).

MRS. LARRY BRANSCOMB

Julie-Ann Peterson, Larry Branscomb Wed

St. Anthony's Catholic Church was reserved Friday, April 19, for the five o'clock wedding which united Julie-Ann Peterson and Larry Branscomb in holy matrimony. Vases of white carnations graced the altar as Fr. Richard C. Welsh read the double ring nuptials.

Mr. and Mrs. Matt Peterson, of 46405 Harris road, Belleville, and Mrs. Francis Branscomb of Payette, Idaho, are parents of the young couple.

ESCORTEE TO the sanctuary by her father, Julie-Ann appeared in an ottoman style gown fashioned of heavy ribbed cotton knit with a full chapel train cascading down the shoulders. An insert of crocheted lace threaded with satin ribbon ran the length of the long sleeves and centered the front and hemline of the A-line gown.

A hand-of-hand-clipped Venice lace secured her mid-back illusion veil and she held a cascade of white roses.

As maid of honor, Sandi Lipka, of Wayne, donned an aqua cotton ottoman frock designed with an empire waist traced with lace appliques, short sleeves, and a gathered back which formed a train. Aqua daisies studded with rhinestones and pearls formed her headpiece and she held a cascade arrangement of aqua and white carnations.

Beverly Januszyk, of Belleville, was the only bridesmaid dressed in an identical ensemble.

PAUL BRANSCOMB, the bridegroom's eight-year-old nephew, served as ringbearer and seven-year-old Debbie Pinter, was flower girl wearing a miniature version of the senior attendants' gowns. The basket she carried was filled with blue and white carnations.

Warren Branscomb, of Belleville, was asked to be his brother's best man, and ushers were Gary Paschka and Rex Blue, of Ypsilanti, and Bob Pinter, of Belleville.

At the reception which followed in the Belleville V.F.W. Hall, Mrs. Peterson greeted the 200 guests in an apricot coat-dress ensemble accessorized in matching tones, Navy blue

MISS RUPERT

All Around The Town...

...WITH LEE

(continued from page 6)

Mrs. Ida Roberts, and his brother-in-law and sister, the Earl Blewitts... COULDN'T GET in touch with the Glenn C. Lehmanns, of Edgedale drive, but know for a fact they were in Florida over Easter since we happened to stop at the same rest area in southern Ohio. DID hear, though, that they visited with relatives at Lake Worth... WE KNOW, too, that the J. D. Clark family, of Clark Block and Supply, Belleville road) jetted to the Sunshine State and spent a week at Dunedin.

AH, HAWAII

THEN THERE are those of us who set their sites just a bit further than this Mainland of ours -- Hawaii, to be precise. And that's just where Mrs. Mary Harvey, of W. Huron River drive, spent her glorious two weeks vacation this spring. Joining some 33 members of the Crest Club from the U. of M., she enjoyed her first jet flight which lighted first at San Francisco for an overnight and dinner at the Fisherman's Wharf then continued on to Hawaii.

Plans for the group included visits to all the islands; a bit of pineapple plantation, Diamond Head, and Pearl Harbor; and an authentic Hawaiian luau.

She returned to Belleville in time to join her daughter and son-in-law, Beverly and Art Martin, for Easter supper along with another daughter's family, the Irv Czajkowski, and her own mother, Mrs. Catherine Chrobak.

DAD'S BIRTHDAY REMEMBERED

TWENTY-SEVEN of his 34 grandchildren were on hand Sunday to help George L. Belanger, of Belleville road, celebrate his 67th birthday. Making it a three-in-one occasion were his twin daughters, Loretta and Lorraine, who observed their 18th birthday the same day.

On hand for the happy occasion were the Robert Kenrick family, of Flint; the Edmond Belanger family, from Ypsilanti; the George H. Belanger family, of Detroit; the Marvin Manning family, of Belleville; the James Whiteside family from Lincoln Park; the Tony La Motte family, of Westland; the Fred Belanger family, of Wayne; the Dennis Belanger family, of Ypsilanti; and Harold Belanger, of Belleville.

Mrs. Gordon Kenyon (Linda Belanger), of Hanford, California phoned to wish the trio a happy birthday.

DENTAL CONVENTION

DR. AND MRS. G.G. MILLER, of Stanley drive, were in Detroit Monday and Tuesday to attend the Michigan State Dental Association's Annual Meeting. The group headquartered at the Statler Hilton but included events at Howard Johnson's and the Pontchartrain Hotel. Monday evening the Millers joined Dr. and Mrs. John Larder, of Saline, and Dr. and Mrs. Norman Wilner, of Dexter, at the Fisher Theater for the Broadway musical, "Cabaret".

Last Thursday, Helen (who's president of the Washtenaw County Dental Auxiliary) was invited to a luncheon of the Past Presidents' Association at Ann Arbor's Holiday Inn.

MULTIPLE CHRISTENING

SHIRLEY ANN Ray, six, and Georgina Ann Ray, four months, daughters of the Frank Rays, of Montague street, were baptized Sunday, April 21, at Prince of Peace Lutheran Church, Wayne. Also receiving the sacrament were their cousins, Shawn Steger, six, and Selma Steger, 11 months, children of the William Stegers, of Henry street. Pastor Beckman presided at the ceremony.

Sponsors for the four were their grandparents, Mr. and Mrs. George Steger, of Wayne, who later entertained at a family dinner.

MR. AND MRS. JOHN R. SELL, JR.

Taylor Church Scene Of Sell-Bathurst Ceremony

Connie Bathurst and John R. Sell, Jr., both of Romulus, exchanged wedding vows and rings Saturday, April 20, in an eleven o'clock ceremony at St. Alfred's Church, Taylor. Easter lilies graced the altar and Mrs. Lucille Kloc served as soloist for the morning nuptials.

The daughter of Mr. and Mrs. Lawrence Bathurst, of 17961 Inkster road, Romulus, Connie approached the sanctuary on the arm of her father. Holding a cascade of white roses and carnations she appeared in a formal gown of Italian satin overlaid with Chantilly lace. Styling details on her dress were a square, scalloped neckline, wrist-point sleeves, and a paneled train which swept to chapel length as she walked.

A petaled headpiece studded with seed pearls secured her shoulder length veil of illusion to complete her bridal finery. Her bridegroom is the son of the senior John Sells, of 13631 Merriman road, Romulus.

BLUE CHIFFON frocks trimmed with white Italian lace were worn by the bride's six attendants who carried cascading blue and white carnations trimmed with matching ribbons. Circular veils edged the blue flowered headpieces they wore and seed pearls were used for accents.

Judy Bathurst was her sister's maid of honor and bridesmaids were Mrs. Kenneth Westphal, and Brenda Sell, sisters of the bridegroom; Cynthia Lange, his cousin; Yvonne Bruce, and the junior bridesmaid, Paula Bathurst, both sisters of the bride.

Allan O. Sell, of Taylor, served as his brother's best man. The corps of ushers included Kenneth Westphal, of Taylor; Leonard Bruce, of Gibraltar; Michael Lange, of LaPeer; Terry Sell; and the junior usher, Eric Sell.

THE K. OF C. Hall, in Southgate, was reserved for the reception after which the young couple departed for a 10-day honeymoon at the Outrigger hotel on Walkiki Beach, Hawaii.

For her daughter's wedding Mrs. Bathurst donned a two-piece Chinese red and white knit ensemble with a flowered hat and black patent accessories. In the evening she changed to a champagne lace dress with matching accessories. Mrs. Sell selected a pink linen costume with white accessories for the ceremony and then wore an apple faille ensemble for the reception. Both mothers were honored with cymbidium orchids.

The new Mrs. Sell, a 1966 graduate of Flat Rock High School, is employed at Gar Wood Industries, Wayne. Her husband graduated from Romulus High in 1963, and is now with Universal Airlines at Willow Run.

Bassinets Bulletins

Mr. and Mrs. Gary Tice, of 42131 Riggs road, Belleville, have a new son born April 20 at Beyer Hospital. His weight was recorded at 8 lbs., - 2 ozs.

It was a son, too, for Mr. and Mrs. Gerald Morcom, of 50211 Bog road, Belleville. Born April 22 at Beyer Hospital, he weighed in at 8 lbs., - 1/2 oz.

Candlelight Ceremony Unites Nancy Gary, John P. Elliott

In a candlelight ceremony Saturday, April 20, at the Grace Baptist Church, Nancy C. Gary became the bride of John P. Elliott. Rev. Kinniman Crawford read the double ring rite which united the daughter of Mr. and Mrs. Donald E. Gary, of 47853 North Shore drive, Belleville, and the son of Mr. and Mrs. John A. Elliott, of 11101 Algonquin drive, Pinckney.

Some 275 assembled guests saw Nancy escorted to the altar by her father for the seven o'clock ceremony. For her wedding day she selected a toe-touching empire gown of cloud white peau de sole. The Chantilly lace bodice was fashioned with a bateau neckline and above-elbow sleeves. The high-rise waistline was traced with lace appliques which were repeated in a hemline border of the A-line skirt. Back interest was created with the use of a full, matching chapel train.

Her veil of imported illusion drifted from a shell cap of matching lace embroidered in French palmettes, wheat, and pearls.

Completing her bridal finery was a cascade bouquet of white

carnations centered with a white orchid.

PENNY MILLS, of Ypsilanti, in chartreuse was honor attendant for her best friend. Bridesmaids wearing yellow were Mrs. James Tingle, Judi Braun, Mrs. Charles Montie, and Sarah Elliott, the bridegroom's sister.

Identically styled, their gowns were of chiffon over taffeta with scoop necklines and long sleeves. Multi-colored braid accented their empire waistlines and their headgear was formed of matching lowers. Completing their outfits were bouquets of harmonizing carnations.

The bridegroom, who made his home at 9960 Wayne road, Romulus, asked his brother, Jack Elliott, of Chelsea, to serve as best man. Others on the esquire side were Dave

Bachman, of Belleville; Duane Gary, the bride's brother from Dearborn; Don Sell, of Garden City; and Bill Elliott, the bridegroom's nephew from Chelsea.

Guests gathered in the church hall for the reception which followed. Mrs. Gary received in a lime green silk sheath worn with a lime green and pink striped coat to match. For her son's wedding Mrs. Elliott chose an aqua crepe dress with a matching lace jacket and black accessories. Both mothers adorned their ensembles.

After honeymooning at Fort Lauderdale, Florida, for a week the newlyweds have made their home at 9960 Wayne road, Romulus. Both graduates of Belleville High, the new Mrs. Elliott is an employee of Michigan Bell Telephone and her husband, after serving for three years with the U. S. Navy, is with United Airlines.

Mae Fulton
Is Citizen
Of Month

ROMULUS -- Deadline for filing of nominating petitions for two expiring terms on the Romulus Community Schools' Board of Education is 4 p.m. Saturday, May 11, Robert L. McConeghy, school superintendent, announced.

Nominating petitions for the June 10 School Election will be accepted from any registered resident property owner, or his spouse, who presents a petition bearing signatures of no less than 20 registered school electors of the District. No elector may sign a petition for more than two candidates.

Such petitions must be filed at the office of the Board of Education located at 11401 Olive street, McConeghy said.

Valor is to travel on an ocean liner without tipping. Discretion means to come back on a different ship.

BELLEVILLE -- Belleville area's Senior Citizen of the Month of April was Mae Fulton, 35 First Street.

She is a person, although handicapped, who can be counted upon to help where she can. She is a fine working member of the Belleville Methodist Church as well as in Red Cross work.

She had the pleasure of going with a senior citizen group on a trip to Washington, D. C. and the surrounding area in Virginia.

In recognition of the fine secretary and treasurer job being done by Faith Racette of 12876 Lake Point Pass, the club presented Faith with a large potted green plant for her home. Her reporting of the activities of the Club and accurate treasurer's report has been outstanding, Richard Corfelt, club director, said.

SCHOOL PRESS PROJECT WINNERS FOR 1967 -- FLIGHT, student newspaper of Romulus Senior High School, Romulus, was one of four schools in Michigan to receive state and national honors in the 31st annual School Press Project conducted by the TB and Health Society and affiliated Christmas Seal organizations. Admiring their Certificate of Honor are (from left) Cathy Armstrong, assistant editor; Lassie Butler, editor, and Terrance Cannon, faculty advisor.

Student Editors Are Honored

ROMULUS -- Lassie Butler, editor, and Cathy Armstrong, assistant editor of FLIGHT, the student newspaper at Romulus Senior High School, Romulus, were among school newspaper editors honored during a special recognition day in Lansing.

The school newspaper and editors were cited for winning national and state honors in the 1967 School Press Project which was conducted throughout the nation.

Lassie and Cathy and the other winning editors and faculty advisors toured the Lansing State Journal where they observed the operation of a large daily newspaper.

THEY LUNCHEd at the Lansing Press Club where they received Certificates of Honor for their school papers. Afterwards, they toured the State Capitol.

Terrance W. Connon, faculty advisor, accompanied the editors on the trip.

The School Press Project is sponsored annually by the Columbia Scholastic Press Association, the National Tuberculosis and Respiratory Disease Association, and its state and county affiliates, including the TB and Health Society of Wayne County.

The Project encourages young people to become interested in medical science reporting and to increase the knowledge of students of the threat to their health from tuberculosis and other respiratory diseases.

The project is open to both senior and junior high schools,

YOUR TAX FUTURE WILL BE AT
STAKE TUESDAY, MAY 7

448,000 (DOLLAR) REASONS WHY YOU SHOULD VOTE "YES"

When you vote Tuesday, May 7, on approval of the rezoning of McMullan land for apartments, you will be deciding for or against a tax bonanza ...

A YES vote will support your elected officials and your township planning authorities, who have rezoned the land, between Belleville Lake and the Freeway west of Beckley road, for overwhelmingly powerful economic reasons in connection with the township's tax base. . .

A NO vote will be denying yourself important tax benefits for the schools and the township. Carried down to YOU, the individual taxpayer, a no vote would be a vote against yourself - against powerful help in supporting the inevitably rising tax load in the years ahead. It would be a vote against the best interests of ALL Van Buren Township taxpayers . . .

Why is a YES vote Tuesday, May 7, vital to every taxpayer?

Because a luxurious apartment development such as Lakeland Park would be the BEST USE of important Van Buren land for the good of all Van Buren taxpayers. Because it will upgrade the tax base and create a beautiful asset in the community while helping foot the tax bills. Because simple arithmetic shows that a YES vote on the rezoning is a MUST for the future. . .

School support takes roughly 65 percent of the tax yield from township taxpayers. Here is the simple but powerful arithmetic behind the facts on school yield from Lakeland Park. The figures are after completion five to 10 years hence, but would be equally convincing from the time the first units hit the tax rolls:

COMPARE THESE FIGURES - SEE FOR YOURSELF

SINGLE HOMES

DEVELOPED IN ITS PRESENT ZONING FOR SINGLE HOMES, THE LAND WOULD CREATE FEWER HOUSING UNITS BUT MORE SCHOOL STUDENTS BECAUSE NO-ONE CAN CONTROL STUDENT TRAFFIC FROM SINGLE HOMES. USING A MINIMUM AVERAGE STUDENT POPULATION FIGURE OF 1.5 STUDENTS PER HOME, THE FIGURES LOOK THIS WAY:

NUMBER OF HOMES 400

Number of Students 600
School district's annual cost
to school each child \$ 392.23
Total school tax on 400 single homes \$135,850
Total cost to school district of schooling 600
children from 400 single homes \$234,338

ANNUAL LOSS

to school district, to be made up
from other tax base sources **\$98,488**

LAKELAND PARK

LAKELAND PARK, DEVELOPED WITH STUDENT POPULATION LIMITED TO HIGH-SCHOOLERS AS I HAVE PLEDGED, WOULD YIELD THESE FIGURES:

NUMBER OF LUXURY UNITS 2000

Number of schoolchildren (maximum) 50
School district's annual cost to school each child \$ 392.23
Total Lakeland school tax annually \$468,000
Total cost of 50 Lakeland schoolchildren \$ 19,600

NET GAIN

to Van Buren school district,
enough to school 1,144 other children . . .

OPEN HOUSE

AN OPEN HOUSE was held Sunday, April 28, at the Arthur Pence home, Ayres road, honoring Mr. and Mrs. Glenn Falka who were married last December in Florida. Mrs. Falka is the mother of Mrs. Pence (Imogene).

Sixty persons attended the party which included a buffet luncheon served at a table beautifully appointed with fresh glads and mums. Mrs. Doris Arlington and Mrs. Alma Jamison assisted the hostess.

Among those attending were the honored couple's children and their families; the Richard Bakers, of Fremont, Indiana; the Vern Smith and Earl Alexander families, from Alpena; the Franklin Donnan family of Southgate, as well as friends and relatives from Flint, Milford, Detroit, Grosse Pointe, Dearborn, and Belleville.

The Falkas will be leaving next week to spend the summer in Alpena.

HERE'S THERE

A 'QUICKIE' TRIP to New York City was the order of the day last Tuesday for Mary Kossin, of Elwell road, and her sister, Fran Sewekis, of Dearborn Heights. The two ladies winged their way Eastward and spent exactly one day in the big metropolis. A guided tour of Lower Manhattan (which included the U. N. Statue of Liberty, Chinatown, Greenwich Village, etc.) was followed by the stage show at Radio City Music Hall, shopping along Fifth Avenue, a stop at St. Patrick's Cathedral, and a tour of the Empire State Building. The ladies packed a whole vacation into one day but were delighted to be able to accomplish so much. . . . THE FRANK RAYS and daughter, Cheryl, and Mrs. Helen Day were at Cobo Hall Sunday night for the four-and-a-half hour program presented by the Grand Ole Opry Company. The Rays took a number of excellent candid shots of the stars and even managed (at the risk of their very lives, Mrs. Ray said) to get the autographs of Hank Williams and a number of others. They also met up with the Oscar Fredericks (of Pappy's Service) Belleville, who'd also attended the performance. . . . TAKING PART in the 17th Annual Home Tour sponsored by the Ann Arbor Women's City Club last Monday were a Belleville foursome, Mrs. Cleveland Roe, Mrs. Robert Perry, Mrs. G. G. Miller, and Mrs. Robert Crowe. They also stopped for lunch at the City Club mid-way in the tour.

AND STILL MORE --

A 'WELCOME to Belleville' gesture was extended Saturday evening to the new Branch Manager of National Bank of Detroit, Floyd Griffith, and his wife, Sally, who have moved here (to Merle court) from Birmingham. Lynne and Lois Hamilton, of E. Huron River drive, played host to some dozen couples who came out to meet the newcomers. . . . BARTON HILLS Country Club had its official opening for the season Saturday night when members gathered for the annual formal dinner-dance. Arriving from Belleville were the Al Cicottes, of Lilac lane, the Robert Perrys, of Harmony lane, the Joe Wimberleys, of North Shore drive. Also included in their party for the evening were Ann Arborites, the Don Schafers, the Ed Dittos, the Dan Butlers, and the Charles Kippes.

Conventions & Hawaiian Trip Head Week's News

By MRS. JOSEPH SPRING
OX 9-4021

Mrs. Lester Carver, of Liberty street, returned home Wednesday evening, April 24, after a three-week's visit with her son-in-law and daughter, Mr. and Mrs. David Wertz, and family at Kalulul, Maui, Hawaii. While there her son, Sp/5 Leroy Carver, who is stationed in Viet Nam, joined the family for a six day furlough. She reports a grand time with her family and plenty of sightseeing in extremely hot weather.

Attending the Michigan State Federation of Women's Clubs held at Traverse City this past week were Mrs. Royce Smith, Mrs. Orlo G. Roberts, Mrs. J.H. Tator, and Mrs. A.A. Wall, members of the Women's Study Club of this city. The Junior Study Club was represented by Mrs. Don White and Miss Sharlene Tator.

Mrs. Leo Gloyd, of E. Huron River drive, accompanied her son and wife, the Harold Gloyds, of Allen Park, to Montpelier, Ohio, the week-end of April 20. There they were the guests of Mrs. Harold Gloyd's mothers, Mrs. Milo Gephart, who was celebrating her 84th birthday. After attending church services on Sunday, they drove to West Unity, Ohio, and attended a concert given by the Barber Shop Quartets.

Mrs. David Cooper, Sr., of Auburn, N.Y. has arrived at the home of her son-in-law and daughter, Mr. and Mrs. Herbert Mida, of Robson road. She expects to be spending the next two months with them and will be happy to have calls from her many friends in this vicinity.

Thursday evening callers at the home of Mrs. Joseph Spring were her sister and husband, Mr. and Mrs. Wm. F. Damske, of Dearborn.

Mrs. Ivor Frost, of San Jose, California, was the guest last Wednesday at the home of Mr. and Mrs. Howard McQuaid, of Second street.

Mr. and Mrs. John Robert Clark and family were Sunday dinner guests of the former's parents, the Paul Clarks of Liberty street.

A former Belleville man, Don Richards, son of the Max Richards, of Belleville road, is now convalescing at his home in Des Moines, Iowa, after having undergone surgery on Monday, April 22.

Mrs. Phebe Biery, who has made her home for the past 15 years at 145 Fourth street, left on Tuesday of last week for Northville where she will reside in the future.

After the past two months spent at Baynton Beach, Flo-

The long farewell, especially after a dull visit: Much adieu about nodding.

rida, Mr. and Mrs. George S. Renton arrived at their Martinsville road home last Thursday night.

Mr. and Mrs. Henry Sager spent the week-end of April 20 in Cincinnati, Ohio, with their daughter and husband, Dr. and Mrs. James Jacobs, and family.

The misses Suzanne Stevens and Sharlene Tator spent their Easter vacation at Westland on the Grand Bahama Island.

Mrs. Raymond Montgomery and children, of Dearborn, spent last Sunday with her parents, Mr. and Mrs. Henry McMullan, of Denton road. The Montgomerys had just returned from Galveston, Texas, where they had spent the Easter vacation with relatives.

Sunday dinner guests at the home of the Lewis Lesters were his brother and wife, the Verne Lesters, of Northville, Mr. and Mrs. Fritz Eberhardt and Mrs. Myrtle McCready of Peck, and

Mr. and Mrs. Edward Schmitz of Ypsilanti.

Mrs. Bernice Knop of Wayne was a week-end guest of Mr. and Mrs. Clayton Saunders.

Saturday evening, April 27 Mr. and Mrs. A.F. Fielder entertained a group of relatives in honor of their son, Tom, who received his B.A. degree from the University of Michigan Saturday. Members of the family were present for a buffet supper from Saginaw, Ann Arbor, Ypsilanti, and Belleville.

Funeral services were held at Nashville on Sunday, April 28, for Mrs. Ethel Baxter, who passed away Thursday after a lingering illness. Mrs. Baxter was the mother of the late Luella Leonard.

Mrs. Ray Van Sickle of Ypsilanti spent the week-end with her son-in-law and daughter, Mr. and Mrs. John T. Thompson, and family of High street.

Named to Committees

(continued from page 4)

vote was 3 for and 2 against, the latter unmoved by Mr. Wallace. Thanks, you two.

The proposal was then sent to the Wayne County Board who returned a qualified approval, with a warning that a too-high density of population in a limited area would lead to tax base troubles because the balancing amount of industry would locate elsewhere on account of taxes. This warning was subsequently ignored by the Township Board but was not announced publicly.

Questioned about the paving of Beckley road as the eastern boundary of the project, Mr. Toth doubted that Beckley road would be paved now, but rather that Beck road would be cut through to the Expressway service drive, which would throw the Rymer Farm and the Maton properties open for further projects. (Perhaps this was really why Mr. Maton was not allowed to vote at a later meeting.)

MR. TOTH asked an opinion from an internationally known industrialist on the project and got a second opinion similar to the Wayne County Board warning about the tax base. It too was to be ignored later.

In the Van Buren Board meeting when the rezoning was to be voted on, Mr. Maton was excluded from voting. Mr. Toth made a long, impassioned talk to his Board in favor of the project and then his puppet, to a man, went down the line, aye.

By Mr. Volk's own figures, 5,000 people, 2,000 units, 4,000 adults, presumably then 1,000 high school pupils since he says no small children will be allowed. Can the Van Buren School District stand such an influx? Must tenants move with the birth of their first child? Hardly.

FOR YOU people who have listened to Mr. Volk expound on the increased tax revenue, here are some round figures on the tax breakdown for this year for Van Buren Township: Total Tax dollars, \$1,602,000. School District receives \$1,000,000 or 62.5%, State and Wayne County receives 500,000 or 35%, Van Buren Township, receives 42,000 or 2.5%.

Now, with a more realistically estimated \$500,000 additional tax from the project (first it was \$800,000), the future additional allocation, using the same percentages, will be approximately:

School District, \$312,000; State and Wayne County, \$175,500; Van Buren Township, \$12,500.

The \$312,000 won't begin to compensate for the 1,000 additional students, especially where new buildings will be required and Van Buren's share won't begin to pay for the shaded service required. Still think you will get a cut in taxes?

Does the City of Belleville want to become a suburb to a much larger community made up of renters? Think about that. Do you people of Van Buren Township, who have a vested interest in your homes and businesses by virtue of being property owners, want to have your policies and politics controlled and dictated by a larger group who can move away at will and have no other interest here than a pleasant place to live? They can, however, vote you into taxes you never dreamed of.

Think about it you homeowners. Vote accordingly on May 7.

George M. Arnold

TO THE EDITOR:

I have read with interest the many items which you have printed concerning the school tax proposal, the Lakeland Park apartments and others.

Regarding the proposed apartment complex, I was one of those who signed the petition for a vote on the rezoning of the property. Since then many of my questions concerning the apartments have been answered by Frank J. Volk, Sr., It seems that James J. Borst of the Van Buren Civic Assoc. wrongly assumes that all signatures were guarantees of no votes for rezoning of the apartments.

Also, it seems that as chairman of the group he has done little to present unbiased information of the apartment complex, but rather has pushed his OWN view for "progress." At the March 6th open meeting of the civic association scanty details and some misleading information was presented on the apartment complex.

The meeting was hardly worth attending because the membership and leaders didn't do their homework as they indicated they had by their meeting advertisement.

Regarding the recent water cost increases which the Detroit Water Department claims is in part due to Van Buren township officials boosting the rates—could you supply information as to what the increases were, how much and who voted for them?

I am very much interested since the township has NOT why or answered the charges in print. It seems the township is trying to pass the buck in being responsible for the present taxes and charges paid by it for water or state equalized evaluation.

A new resident.

TO THE EDITOR:

I feel certain that by this time most of the intelligent voters of Van Buren Township have been able to analyze the writings regarding the re-zoning of the 147 acre McMillan property and come to a proper conclusion. But for those who may still be riding the "fence" I thought I should add my voice to aid the inevitable march of progress.

As the only professionally designated real estate appraiser residing in the township I feel compelled to advise my fellow citizens to vote FOR the re-zoning proposal.

As a student of land economics for the past 18 years I know that the inevitable conclusion must be - and it is the correct one. Sure, the opponents of this proposal MAY muster enough votes to defeat the resolution but the only thing they will accomplish will be a temporary step backward in the growth and urbanization of this area.

I'm certain there are some people who are sincere in their opposition beliefs - others are selfishly motivated and still others are being led down the "Primrose path."

For the obvious improvement of our general welfare vote FOR the multiple residential re-zoning!

R. T. Harrison, A.S.A.

TO THE EDITOR:

Recent articles published in the local press and circulated throughout the Huron Township area, authored by Mr. Ray Miller contained some very serious distortions of the truth of the Township's sewer projects.

If Mr. Miller would divert his talents in other directions he would no doubt render a real distinctive service to the residents of this township.

Mr. Miller purposely failed to state the seriousness of the drainage problem brought about by the breakdown of the septic tank system and the imminence of an outbreak of Hepatitis if this unsanitary condition is not immediately corrected.

Mr. Miller seems prone to vilify the local, county, and state officials who are concerned about this sanitation problem.

Let me say right now that the personnel, who have planned this are honest and dedicated persons working together unselfishly, and without partisan influence for Huron Township, PEOPLE: THINK TWICE AND GET OUT AND VOTE MAY 6, FOR THIS PROGRESSIVE PROGRAM.

Do not be misled by irresponsible persons who are out to sabotage this unselfish effort of the Huron Township officials.

LEARN THE FACTS. Contact your Township Board for further information call PL 3-3101.

Harvey Ernest

TO THE EDITOR:

In answer to Mr. Ray Miller's letter of last week it appears that he is completely confused, he claims our sewer plans are not good--our engineers which are one of the best in the State knows better--is Mr. Miller an expert on this matter. I'm sure he is not. Mr. Miller claims that we are not going to completely treat the sewage. We are, Mr. Miller wrong again.

Our plans are on a long long range basis. Mr. Miller advocates a sit and wait attitude, wait for what?

Mr. Miller stated that it is difficult to get information on the sewer program, again he must be confused.

Finally Mr. Miller stated that the "Huron voters have been deceived about the financing." I suggest Mr. Miller withdraw this statement but fast. Our people were given the facts by the officials charged with this responsibility.

To go forward in Huron we must vote "YES" on both proposals Monday, May 6, 1968.

George Angel

TO THE EDITOR:

I have read your Public Letter Box with intense interest in recent weeks and I'd like to get in my two cents worth before we go to the polls next week and vote again on the school issue.

Perhaps were I not so disgusted and mad at the moment I would not have had the courage to write this letter but a couple of things happened this week that really got my goat. First of all my third grade youngster came home from school one day last week crying that she wasn't going to get to go to school anymore if we didn't vote yes on the millage. Written all over one of the information sheets released by the Board of Education were the words Vote Yes.

She said she had been instructed by her teacher to do this. To me getting seven and eight year old kids mixed up in this campaign, using threats to influence them is just plain disgusting. These youngsters are far too immature to really understand what is going on and all it accomplishes is getting them emotionally upset. I don't like such tactics one bit and I think it is going to backfire on those responsible.

THE RECENT school election which saw the five and a half mill question defeated by such a whopping majority would seem to me to have been a very clear mandate to the Board to get cracking on a program for reducing expenses. However it appears we are getting the same old pitches before this second vote and no indication of any willingness to try anywhere in the over all operation of our school system.

Oh sure, we are getting the scare technique which is used by all school boards in their attempt to frighten people into keeping things status quo.

The schools have a good thing going and the idea of bell tightening is pretty repulsive to them. They are threatening to eliminate practically everything except the Three R's but as far as I can see the only reason why such steps might be necessary is to get money to give the teachers another big raise.

I AM no expert on school financing (but in talking with some of my neighbors we all come up with some questions which so far have gone unanswered in the literature sent out by the Board.

1--How much money is the school district going to realize from the greatly increased tax bills which practically every home owner in Van Buren school district is paying this year? Remember, the schools still have the 4-1/2 mills they operated on last year and the increased taxes are certain to put quite a few thousand more dollars into the school treasury.

2--The Michigan Legislature recently passed a new State Aid bill which will mean an increase in state aid funds to this local school district. Where and how is this money going to be spent?

3--These two items are certain to represent a minimum gain in available school funds of \$200,000 to \$300,000. Why can't this money be used to offset increased teacher wage demands and keep our regular school programs intact?

4--Why was it necessary for the Board to give our superintendent a raise last year when he was working under a three year contract?

5--Why is it necessary to send two or three principals to several conventions a year? I can understand the importance of having the school district represented at many of these conventions but it is necessary to send more than one principal to them at a time.

6--Why this almost frantic desire to keep up with the Joneses so to speak? We always get this comparison of teachers' salaries with other districts but perhaps these other districts are in a better position to afford such salaries.

IF SOME of our teachers want to make this big money then I say let them go to where they can make it. To me it's a very basic principle of what we can afford here. Sure, a couple of my friends drive Cadillacs. I'd like to drive a Cadillac, too, but my income won't stretch that far and if the money isn't there it just isn't there. The same logic has got to be used by our school leaders.

With two kids in local schools I have a very earnest desire that our schools and our teaching staffs be the very best possible but I cannot close my eyes to certain basic economic facts of life. We have to make do with what we have and what our people can afford. Until we get a broader tax base in this school district perhaps some of the frills will have to go but I definitely do not think the cuts need be so extensive as the Board is threatening. Nor do I feel the Board has made any real serious attempt to cut present operating costs.

Until I see some evidence of this I for one am not going to OK more millage. Especially when it is so apparent that virtually every bit of money raised by such millage is for the purpose of appeasing the ever-increasing demands of teachers.

LOUIS A. TOTH

BELLEVILLE--The appointment of Van Buren Township's Supervisor, Louis A. Toth, to the Sewage Disposal and Water Supply Committee of the Wayne County Board of Supervisors was announced last week.

Other important committee assignments on county government held by Toth following elections by supervisors last week are:

Membership on the Airport Committee (re-elected for his fifth one-year term), and membership on the Supervisor's Committee on Economic Opportunity for a second term. This committee was created by the Wayne County Board of Supervisors in 1964.

He was also named to the Public Works Board of the Supervisors, representing out-county areas.

Open Hearing Scheduled

LANSING -- A public hearing will be held on two house bills involving labor disputes of police and fire departments and of public employees Monday, May 6, at the Stout Junior High School in Dearborn, Senator N. Lorraine Beebe (R-12th District) announced.

The hearings will be held from 9 a.m. to 4 p.m. at the junior high school building, located at Oakwood and Rotunda in Dearborn.

Senator Beebe, a member of the Labor Committee, said one of the bills is House Bill 3725, which would require compulsory arbitration in labor difficulties involving police and fire departments.

THE OTHER bill, House Bill 4161, would create public employment relations panels and institute fact-finding procedures in case of labor disputes involving public employees.

"These two important bills have passed the house and our committee wants to hear testimony from persons or organizations which would be directly affected if the bills become laws," said Senator Beebe.

"Several suggestions already have been made for changing the bills and the committee will consider these suggestions along with any others which may be offered at the public hearing."

TWO NEW MEMBERS -- Romulus Rotary Club's meeting last week was highlighted by the induction of two new members. The new members are shown with Mickey Reel, (second from right) inducting officer; and Horace Gregg, club president (right) Bill Crova (left) and Jason Lovette, popular township residents, are shown accepting their membership certificates.

NEW BOSTON EVENTS

Senior Citizens Enjoy Belle Isle & Attractions

By
MRS. WILLIAM HAVENSTEIN
753-3801

Belle Isle was the destination of the 37 senior citizens who boarded a bus in Waltz on Tuesday, April 23. The trip included a tour of the Flower Show, the Aquarium and a lovely dinner at the Casino.

After a very enjoyable day, the group again boarded the bus for the return trip to Waltz where they found dark and threatening skies. They were especially eager to get to their homes but fortunately a severe storm did not develop.

The next meeting of the Huron Senior Citizens will be held on Tuesday, May 7, at 1:30 p.m. in the Waltz Fire Hall.

Everyone interested in making a trip to Kellogg's in Battle Creek is urged to attend this meeting.

The Huron Schools PTA held its regular meeting April 23 at the Junior High School. Following the business meeting Mrs. Katherine Lewis, band instructor for the elementary and junior high students, provided a program of music for the evening.

Elementary school bands from Riverside, New Boston and Huron Schools played several selections. Junior High students who have formed a brass ensemble, flute duet and clarinet trio also performed.

The parents were pleased to have an opportunity to see the progress the students have made this year.

tended by about 350 people, a very enjoyable and financial success.

The St. Stephen's Mothers' Guild sponsored a Luncheon is served Thursday, April 25. Over 125 ladies attended the afternoon event.

A cedar chest and contents, valued at \$250, was won by Mrs. C. Avery of Romulus. Mrs. Mary Lenart, of New Boston, was the winner of a garbage disposal. Other winners were Mrs. Nellie Bajek of New Boston, who won a set of stainless flatware, Sally Nieman the winner of a corn popper, Jean Tupacz of New Boston won a set of TV trays, and Mrs. P. Satterthwaite of Ypsilanti was the winner of an electric clock. Many other prizes were also given.

Mrs. Irene Adaline served as dinner chairman for the annual luncheon.

The Beef Club of the Lazy Daisy 4-H Club lead by Clarence Otter recently toured a meat processing plant at Oakville and a rabbitry.

The club would like to thank businessmen, Tom Brighton and Dave Kempf, for their hospitality and refreshments, also Mrs. Bordt and Mrs. Fletcher for refreshments and for providing transportation.

The club also went to the homes of members, Jerry Fletcher and Clark Douglas, where they viewed the animals being raised for 4-H projects.

The girls in the club presented their assistant leader, August Bordt, with a new cane. Members present for the meeting and tours were: Cynthia and Martin Neddo, Gordon Bordt, Joan, Bryon and Kevin Otter, Jerry Fletcher and Clark Douglas. Guests attending were Wendy Neddo, John Fletcher and White Hamilton.

Permission sheets have been distributed to all Huron School District students for the Immunization Clinic which will be given by the Huron Township Health Committee on May 11. For those who did not receive a permission sheet, they are available and may be picked up at the elementary schools.

Benefit of the clinic is available to pre-schoolers and adults as well as students. Further information may be obtained by calling clinic chairman, Mrs. David Lewis, 753-5261.

The Wayne County Rural Taxpayers Association meeting for May 13 will not be held. A regular meeting will be held on June 10, at which time there will be an election of new officers.

It is hoped that the residents of the community will attend this meeting. The organization has many ways in which it can help the people of Huron and surrounding communities.

The Huron Township Jaycees held a very successful Millionaire's Party Saturday, April 27, at the Wayne County Sportsmen's Club.

Approximately \$600 worth of prizes were won and auctioned during the evening. Among the prizes were a portable television, radio, toaster and cooler.

Project chairman, Don Brown, termed the event, at Sound of Youth Participants Are Thanked

ROMULUS -- The Romulus Jaycees would like to thank all the youths for participating in the "Sound of Youth" program. We would also like to thank the Judges Terry Connon and Jeff Mate of the "Camel Drivers" and Chuck Caldwell, President of Mt. Pleasant PTA for doing such a great job of picking the winners for each category.

They were Cathy Drake of Wayne for the female vocalist, Lowell Askew of Romulus, the male vocalist and in the group category the "What Four" from Wayne.

These teens worked hard on their music and did a superb job as they all qualified for the state finals last Saturday evening in Flint.

Unfortunately, they were not chosen for the National "Sound of Youth" contest which is to be held in Florida.

Our thanks go to all who were involved in this year's program.

ROYCE E. SMITH

Supervisors Elect Smith To 3 Posts

BELLEVILLE -- Mayor Royce E. Smith, now serving his third term as Mayor of Belleville, has been appointed to the powerful 25-member Ways and Means Committee of the Wayne County Board of Supervisors.

The Board of Supervisors announced elections to various Boards and Committees under its supervision at its last week's meeting April 22.

Mayor Smith was also elected chairman of Wayne County Drain Committee of the Supervisors and to a membership on the Wayne County Civil Service Sub-committee. The appointments are all for one year.

Dinner is Planned for Mrs. Burch

ROMULUS -- A community-wide dinner is being planned for Mrs. Katherine Burch at the Colonial House Restaurant at 5 p.m. Sunday, May 5.

An attempt is being made to include all of Katherine's many friends in this farewell party.

If, inadvertently, you have been overlooked and would like to attend this affair, please contact one of the following ladies: Mrs. Ada Scott (941-9282); Mrs. Janet Darnell (941-2419); Mrs. Fran Dick (941-1924). Reservations must be made by May 2.

Finishes Class

NEW BOSTON -- Private Jerry L. Niemann, 19, son of Mr. and Mrs. Louis J. Niemann, 2798 Oakville-Waltz Road, completed reconnaissance training (April 19) at the Army Armor Center, Ft. Knox, Ky.

He received eight weeks of training in the methods of scouting and patrolling, with emphasis on the operation of Army jeeps on rugged terrain.

ROMULUS PERSONALS

Edward Gardner To Be 100 Years Old Tomorrow

By PEARL MORRIS
 WH 1-1187

Local folks are invited to join in helping a former Romulus resident celebrate his 100th birthday tomorrow, May 2. The centurion is Edward Gardner and Romulus residents can help him "celebrate" by sending birthday cards to him at the Killingbeck Rest Home, Cherry Hill Road, Westland. Mr. Gardner has been a patient there since suffering an injury recently. Before that he had been residing with his daughter, Mrs. Winifred Pawlowski, in Belleville.

Mr. and Mrs. Roy Whip, of 7911 Orchard street, Dearborn announce the marriage of their daughter, Rose Ella Whip, to Patrick E. Brown, son of Mr. and Mrs. Wilbert J. Brown of 16488 Wayne road, Romulus. The marriage was performed April 19.

A birthday party honoring eight-year-old Ralph Griffith was held last Wednesday, April 24, at the home of his parents, Mr. and Mrs. Carl Griffith, Wade street. Guests were: Johnnie Chandler, Aaron Short, David Cook, Marsha Atkins, Bobby Hutcherson, Junior Mattson, Danny Mattson, Glennie Davis, Tammy Phillips, Bryan Phillips, Ray Sharkny, David Cox, Rhonda Bartley, Jamie Clark, Robert Lambert and Mary Lou Nehila.

The party was given by Ralph's older sister and brother, Carla, 17, and Sammy, 16. They arranged a delicious lunch and fine variety of games for the occasion.

Mrs. Wilbert (Marie) Brown, of Wayne road, is in Annapolis Hospital, Wayne, where she underwent bone surgery on both feet April 4. The date that she will be going home is indefinite at this writing. Mrs. Brown would appreciate receiving cards and visits from local friends.

Mrs. Rhoda Phipps of Lima, Ohio is a visitor at the home of her sister, Mrs. Mabel Ellward, on Huron River drive West. She has also been a caller at the home of another sister and husband, Mr. and Mrs. Albert Leach on Bibbins street.

Graduates of Romulus High School Classes of the 40's (1940 through 1949) are reminded that reservations must be in by today

(May 1) for the big reunion being planned for May 11, at the Progressive Club Hall, Romulus. To make reservations phone Ruth Mach Clark (PA 2-9171 or PA 2-2000). The party is for the R.H.S. graduates and their husbands or wives.

Mr. and Mrs. Fred Wahrman, of Wahrman road, and their daughters, Susan and Debbie, and a guest, Cathy Stears, left by plane last Thursday morning for a week's vacation in Florida. While there the Wahrmans planned to visit their son, David Green, who works for Eastern Airlines in Miami and resides in Coconut Grove. The travelers are expected home today.

The Romulus Township Kiwanis Club enjoyed an inter-club meeting with the Greater Ypsilanti Club at the "Wigwam Inn," 1420 Washtenaw avenue on Thursday, April 25. The previous week's meeting was an inter-club with Willis.

Mr. and Mrs. Albert Wahrman, of Wahrman road, visited their new grandson "Paul Donald" on Sunday, at the home of the baby's parents, Mr. and Mrs. Don Wahrman, at Farmington.

Albert Sheppard of Huron River drive South returned home this week after being hospitalized for over three weeks at Annapolis Hospital, Wayne. This was the first time Mr. Sheppard had been in the hospital since he was in a Paris one 50 years ago, during World War I. Mr. Sheppard is Chaplain of the Romulus V.F.W. #9568 and has

Memorial Parade Date Set

BELLEVILLE -- Belleville's Post of the Veterans of Foreign Wars, No. 4434, announced Monday that the Annual Memorial Day Parade will be held on May 26. An invitation for everyone to participate was issued.

Parade participants and floats are to meet at Liberty Park at 12 Noon for the parade. Refreshments will be served after the parade.

The post also announced that its Installation of Officers will be held at the VFW Hall on May 19. Further details on the parade will be announced later.

Scout Pack Issues Invitation

BELLEVILLE -- Boys who may be interested in Cub Scouting are invited to a pack meeting of Cub Scout Pack 1071 of Belleville to be held at First Methodist Church, 417 Charles Street, Monday, April 29.

At the meeting Cub Scouting will be explained to boys eight years of age, or in Third Grade in school, to 11 years of age. Vinton McAtee, Cubmaster, announced.

SANDLER OF BOSTON'S WHEATON -- couldn't leave the old moc well enough alone. Thank goodness . . . and Sandler's designers. Now the toe is square. The vamp rises to there. And a whole brass band of nailheads play where pennies used to spend their days. So on with the now. And wow. \$13.

"GIVE ME ONE GOOD REASON WHY I SHOULD BUY MY RCA COLOR TV AT GATES"

WE'LL GIVE YOU TEN GOOD REASONS, MRS. JOHNSON!

1. You select from the entire RCA-TV line — either from tastefully arranged floor displays, or from RCA brochures which you can take home. No peeking in cartons. No vague product descriptions. You know exactly what you're getting and what's right for you.
2. Every RCA-TV is backed up to the hilt by dependable RCA Factory Authorized Service. You get a full one-year warranty on all defective parts...90 days on labor. So if trouble develops in your set, expert RCA trained specialists will set it right at no cost to you within the 90-day warranty. Special extended warranty plans are also available.
3. You shop in a relaxed, low-pressure atmosphere, accompanied by capable, considerate RCA-TV specialists. You never feel conspicuous because of lack of shopping experience or financial resources. Gates sales people give you full assurance and satisfaction every step of the way.
4. Now at Gates—you can get a '68 close-out color bargain on America's "No. 1 for the Money" buy — RCA! Every sales tag has been sweetened on this top-rated line, including fast moving RCA table and portable models. Price-wise, there's never been a better time to buy color at Gates than right now!
5. Gates people know RCA products inside and out. No order-takers here. Specially trained and knowledgeable sales people give you all the TV facts and figures you need to make a wise decision. At Gates, you know the reasons why.
6. Gates is a large, one-stop home furnishing headquarters. An idea center. So while you're deciding on your RCA-TV, there's a whole spice rack of thought-starters to wonder through...from "just right" vase to complete home entertainment centers. One visit usually isn't enough, really!
7. Gates offers easy-to-understand, no fuss credit plans which are customtailored to your needs. Arrangements are handled quickly and efficiently without any embarrassing questions. Paperwork is minimal, rates reasonable. No need for a special trip to the bank.
8. Gates delivers promptly. So if you've spent half the day getting ready for deliverymen, you can be sure Gates won't disappoint you. Deliverymen are careful courteous and completely dependable.
9. Gates doesn't forget you after the sales. We don't do business that way. Every RCA-TV sale is followed-up with a call or letter. And if you're not completely satisfied, we make every effort to make things right!

250 Boys Try Out for League Play

BELLEVILLE - Over 250 boys tried out for Little League last Saturday, (April 27). Even Chester Wojcie, president Van Buren Little League Association, reported.

Though it was a great turnout, we still feel there are more boys who would like to play, so we will have another try-out Saturday, May 4, at 1 p.m. for those who were unable to make it last week, he announced.

All boys in Van Buren school district who will be eight years old by August 1, 1968, and not more than 12 years old on July 1, 1968, and who have never played before, or who were on a farm team last year, must try out for a position on a team this year.

We welcome all eligible boys. All boys who apply will be put on a team.

For further information call 697 - 0396, or 697 - 8457, 697-7863.

Belleville Area Senior Club Issues Thanks

BELLEVILLE -- The Belleville Area Senior Citizens Club issued appreciation and thanks Mrs. Janet Oliver and her dancers for their wonderful show last week.

More than 400 people were in the audience. It was a fine turnout in support of the hard work of Janet Oliver and in support of the active Belleville Area Senior Citizens Club.

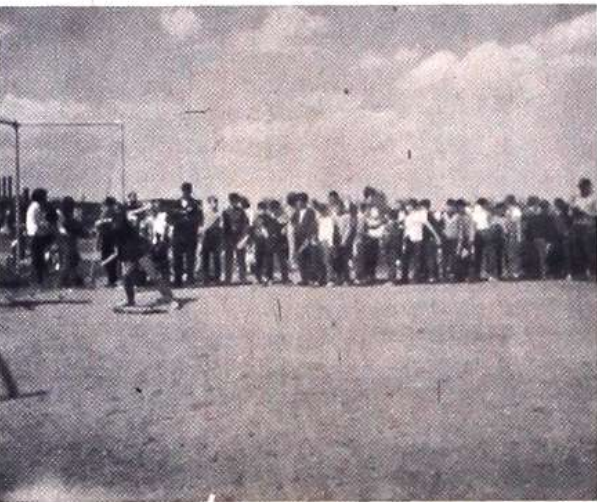

Harold Cullin, a member of the club, sold 81 tickets for the Dance Recital. The Club wishes to thank those in the audience for their support, especially the parents of the dance students, and Mrs. Oldrich Bitter.

The annual monthly birthday party for members who have birthdays in May will be held tomorrow (Thursday, May 2), at the Edgemont School. Leading the list is Mr. and Mrs. Harold Cullin and Mr. and Mrs. Reginald Atyeo with Mae Fulton, Ed Gordon, Bill Moser, Donalda McLaughlin and Jessie Criss following close behind.

"A Happy Birthday to all" responded Dick Coffelt, Club director.

EYE ON THE BALL -- Player tryouts for positions on teams in the National Division of Little League Baseball line-up for their turn in "face the pitcher" practice. Howard Nugent, manager of the "Pirates" is doing the pitching. All boys who report out for the tryouts will be put on a team, officials stated.

BATTING PRACTICE -- Area youngsters, who reported for Little League Baseball tryouts last Saturday, April 27, are shown above in batting practice. Some 250 boys answered the call of league officials. Above is Rex Ralls of Belleville, leading off the long line of potential hitters in the American Division of the Little League.

TICKET DRIVE ON Scout-O-Rama Show of 1968 Has 600 Action-packed Events

Thousands of smartly uniformed Boy Scouts throughout the metropolitan Detroit area, hundreds of them from this community, are out knocking on doors, ringing doorbells and stopping friends, neighbors and relatives to sell them tickets to the huge Scout-O-Rama '68 show at Michigan State Fairgrounds this coming June 7-8-9.

The Scouts have always been enthusiastic ticket salesmen, especially for the once-a-year Scouts in action spectacular at the Fairgrounds, but a new wrinkle has been added this year which has spurred them on to greater effort.

The sale of tickets to Scout-O-Rama '68 will not only net much needed unit funds for the individual Cub packs, Scout troops and Explorer posts, but this year the individual boys are earning handsome Scout merchandise prizes for their sales of Scout show tickets.

TICKET SALES Chairman Paul D. Galvin, manager of car sales promotion for Dodge car and truck, said that Cubmasters, Scoutmasters and Explorer Advisors report tremendous interest on the part of the Scouts to sell a record number of tickets to Scout-O-Rama '68.

Galvin said that most of the Scouts in this community will also be taking an active part in the mammoth spectacular at the Fairgrounds on June 7-8-9, and thus have plenty of added incentive to have the biggest audience ever to see them perform their Scout skills and techniques.

Over 30,000 Cubs, Scouts, Explorers and leaders will take part in the indoor-out-door show which utilizes nearly all available space at the Fairgrounds.

Over 600 action-packed

booths, displays and exhibits will be manned by the Scouts. Each will feature an in-action type of program, showing the Scouts making, trying and demonstrating, many will offer show visitors an opportunity to get in on the act.

SOME OF the major Scout-O-Rama '68 show features are an authentic Indian village, where brightly costumed "Indians" will enact colorful, age-old tribal dances and ceremonial events.

A huge outdoor living area will be of special interest to all families who enjoy getting out in the woods on summer weekends, and they'll pick up a lot of valuable tips from the Scouts on how to make their outdoor trips easier and much more enjoyable.

There will be a display built around the "World Friendship" aspect of Scouting where boys in authentic native dress and Scout uniforms from other nations will display dozens of unusual and exciting activities ranging from a rickshaw ride to a Japanese Ceremonial Tea.

A string of horses from D-Bar-A Scout Ranch will provide rides for thousands of youngsters during the three day show.

OTHER ACTIVITIES will include a Bike Rodeo, a competitive Field Sports event, Conservation, Camping, Cooking, and much, much more.

Show hours for Scout-O-Rama '68 will be from 7 to 10 p.m. on Friday, June 7; from 1 to 10 p.m. on Saturday, June 8; and 1 to 5 p.m. on Sunday, June 9. Tickets for the show have been priced at \$1, which admits one adult and one child under 12, or two children under 12.

Wayne State University's most frequent baseball foe is cross-town rival University of Detroit with 43 games having been played between the two schools in the all-time series.

Free Chest X-ray Tests

DETROIT -- What will probably be the most concentrated effort to find hidden tuberculosis during the present Spring Chest X-ray Survey will begin Monday, May 6, in an area bounded by Woodward on the East, the John Lodge Freeway on the West, Forest on the North and Winder on the South. The known case rate in the area is in excess of 200 per 100,000, many times above the national average and certainly the highest in Detroit. Volunteer groups will make a door-to-door campaign in an effort to get everyone in the area to take part in the survey. Other areas of the city also will be screened during the week. The survey is being conducted by the Detroit Department of Health in cooperation with the Tuberculosis and Health Society, Wayne County's Christmas Seal agency. Free chest X-rays, given free at chest X-ray buses stationed at 62 locations during the survey, are available to anyone 18 years or older. Further information about mobile or permanent chest X-ray units may be obtained from the TB and Health Society, WO 1-1697.

SCIENCE FAIR JUDGES -- James Egan, business manager of Van Buren Public Schools (left) and Pack Gregory, science teacher at Taylor Schools and local resident, were judges at Belleville Junior High Science Fair held April 23 through April 26. The event was reported to be a "success."

Red Cross Aquatic School Set

There is always a shortage of well-qualified American Red Cross instructors of swimming, lifesaving, first aid, boating, sailing and canoeing. To fill this need the American Red Cross is once again sponsoring its National Aquatic School (NAS) this year. The school offers an intensive 10 day schedule of daily classes, evening seminars and recreational activities where you learn by doing in an informal atmosphere. Qualified instructor-trainers give instruction in the improvement of personal skills and teaching principles and methods.

The National Music Camp at Interlochen will be the location of the Aquatic School for the Michigan area from June 11 through the 21.

Men and women who are age 18 or over and certified by a physician to be in sound physical condition and who plan to use this training in teaching others can enroll. The fee for the complete 10-day course is \$65, which covers room and board, textbooks and other materials.

Applications or additional information may be obtained from the Southeastern Michigan Chapter, ARC, 153 East Elizabeth, Detroit 48232 or phone 961-3900, extension 254. All applications subject to approval by ARC Midwestern Area Office, St. Louis.

Junior High Science Fair is Successful

BELLEVILLE -- The annual and "successful" Science Fair of Belleville Junior High School was held April 23 through April 26. Science projects of students were displayed on Wednesday, April 24th.

James Egan, Business Manager for Van Buren Public Schools and Park Gregory, former Belleville High science teacher and presently a teacher at the John F. Kennedy High School, were judges of students entries.

The projects were viewed by parents during the open house on Thursday, April 25, and some of the students were on hand to discuss their projects with the visitors.

THE ENTRIES were in one of two main divisions, limited funds and unlimited funds. A first and second prize was awarded to top winners in each division. In addition an honorable mention was awarded for the best of each category. The awards were as follows:

Limited Funds: first prize, Dan McClure, (Physics); second prize, Connie Dunkelberger, (Physics).

Unlimited Funds: first prize, Joyce Gregor, (Physics); and second prize, Bill Green, (Physics).

Honorable Mention for Best in each category were presented to Jim Ackron, Physics; to

New Band Group is Announced

BELLEVILLE -- A new musical group composed of Belleville area young residents has been announced.

The group, known as "The Tribe" plays a mixture of rock and roll, country and western music. Membership of the band is:

Tim Katana, who plays drums; Tim Story, who plays rhythm guitar and sings; Mike Shirley, who plays bass guitar; Dan Vickers, who plays rhythm guitar and Ken Murphy, who plays lead guitar.

The young band group has already made up one song entitled, "Why She Left." They hope to be making many more within the next few months.

Anyone who may want to get in touch with the new band is asked to call Ken Murphy at 697-1742.

The Blue Danube waltz, Austria's unofficial national anthem, was almost a flop when it made its premiere. The public resented the words which tried to cheer up the country after the defeat by Prussia. New words were provided and it then became a hit.

DIANA TRASK
AMONG STARS OF JA SHOW

Paulsen, Trask Headline JA Awards Show

An entertainment program, headed by Pat Paulson of the Smothers Brothers Comedy Hour, will top off Junior Achievement's annual Future Unlimited Celebration, May 9, in Masonic Temple Auditorium, Detroit.

Following the distribution of awards for superior accomplishments to the teenage Achievers and their adult advisers, an audience of 5,000 including businessmen, educators, other civic leaders, parents and friends will enjoy a variety show.

Paulsen has been described as having a "face that belongs on a desperate basset hound and a body like a lumpy toothpick." He has zoomed to stardom by double-talking his way through editorials as diverse as firearms restrictions and highway litter.

Appearing with him will be Diana Trask, Australian vocalist featured on the former Mitch Miller Show, and Clifford Guest, ventro-impressionist of television and motion pictures.

Among those who will pay tribute to the young J.A. entrepreneurs are their business sponsors represented by Future Unlimited chairman Byron J. Nichols, Chrysler vice president, and J.A. president Albert J. Berdis, board chairman, Great Lakes Steel Corp. Outstanding performance in J.A. corporate offices and executive posts, ranging from company president to safety director, will be recognized.

Information about tickets may be obtained by calling VE 8-4660.

Cedar Point Rates Cut for State Day

Western Wayne residents may visit the amusement center at Cedar Point at Sandusky, O., often called "The Disneyland of the Midwest," at reduced prices on Saturday, June 8, Inkster Parks and Recreation Director Melvin Bailey announced.

There will also be special rates for the weekend at the 1000-room Hotel Breakers, Bailey said. In addition, 15 Michigan high school bands will take part in a "Michigan Day Parade" that starts at noon.

Those interested in making the trip can get additional information by calling the following recreation departments in Inkster, LO 5-4100; Wayne, PA 1-7400; Westland, PA 2-7620, and Garden City, GA 2-7060.

Top Art Works At Wonderland

LIVONIA - Wonderland Shopping Center will be a riot of color with many artist's painting on the mall starting today May 1. Hundreds of lovely original oil paintings by local artists as well as others from the metropolitan area of Detroit can be seen daily in the Civic Room as well as on the Mall.

Heinz Koller from Munich, Germany, will be a special treat. Mr. Koller is considered one of the most outstanding artists in Europe and on the continent, and is being sponsored for one year in this country by Betty Baldwin, who believes the public should be given the opportunity to buy the (original) works of a European artist who is already famous. Many European paintings are being sold in this country to people who wrongly believe that the painting is original.

Koller fascinates people with his display of skill as an artist, and the rapidity with which he paints. "He is one of a kind, a true genius. In the seven years we have had the "artists showplace", we have never seen anyone like him", states Betty Baldwin, the director.

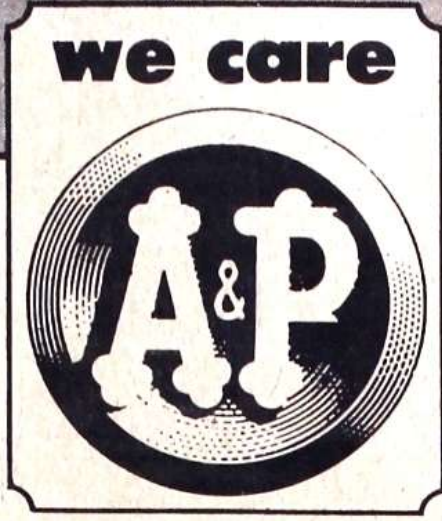

Well known portraitist Jesse Fowler, along with Jose Ponce and Florence Stinson will be doing on-the-spot pastel and charcoal portraits daily.

People wishing to experience the thrill and prestige of owning an original oil painting, a sculptured work, decoupage, or a hand crafted item are invited to come to Wonderland Shopping Center each day to browse around or make purchases.

The Artist's Showplace furnishes a major outlet to the artist who must sell his work in order to survive, or to keep painting.

Some of the outstanding artists participating in the show at Wonderland are Joyce Johns, Ruth Stevenson, Marie Tuthill, Helen Gilling, Walter Bilyeau, Edward Chippi, Nell Misiak, Le Roy Kugler, George Braxton, Dorothy Mortlock, Harry Richmond, Georgeann Brandt, Rosemary Dalton, Jerry Esseltine, Audrey Francini, Helen Lee, Betty Watring, Virginia Farrell, Marie Robertson, Frank Beven, George Ingram, Caroline Dunphy, Mabel Peterson, Marian Rich, Betty Bauer, Mildred Pawling, Mugsie Glinke, J.L. Winston, Beth Lytle, Dennis Powell, Don Passino, Janet and Walter Heinz, Sam Soile and Robert E. Kellogg.

Here, she receives her pin from Dr. Karl Klicka, executive director of PCHA, right, while Patrick Norton, vice-chairman of the Board and program speaker, looks on at left.

PCHA Fetes 13 Employees At Luncheon

WAYNE -- Recognition for years of employment was given to 13 employees of the Central Office of the Peoples Community Hospital Authority at a recent awards luncheon.

A sole recipient of a 20-year service pin was among eight ten-year employees and four five-year employees. They represented eight PCHA communities.

Presenting the service award pins at the Wayne House April 24 was Karl S. Klicka, M.D., executive director of PCHA.

The recipient of the 20-year pin was Julia E. Schrader, x-ray unit coordinator, who lives at 3114 N. Denton Rd., Belleville.

Recognized for ten years of employment were E.J. Mathia, controller, of 34907 Munger Dr., Livonia; Catherine Dobbs, administrative secretary, of 197 Hubbard Ct., Westland; Beverly G. Hisey, receptionist and PBX operator, of 35645 Park St., Wayne; Rose Giza, Collections Dept. stenographer, of 33739 Gertrude St., Wayne;

Robert J. Gourley, Building Maintenance carpenter, of 17016 Arlington, Allen Park; Wayne C. O'Neal, Building Maintenance carpenter, of 1211 Montie St., Lincoln Park; Leonard B. Sudak, Grounds Maintenance, of 17543 Koester St., Wyandotte; and Mary Sue Streit, Laboratory medical secretary, of 1145 Evelyn St., Ypsilanti.

Five-year pin awardees were Columb McGill, collections officer, of 1626 Stout St., Detroit; Donald J. Chester, collections investigator, of 36 W. James St., River Rouge; Marjory R. Cantrell, Purchasing Dept. secretary, of 34807 Harroun, Wayne; and Judy L. Walter, circulating x-ray secretary, of 6109 Western Ave., Ypsilanti.

RHS Editors Honored

ROMULUS -- Lassie Butler, editor, and Cathy Armstrong, assistant editor of "Flight", the student newspaper at Romulus Senior High School, were among school newspaper editors honored during a special recognition day in Lansing.

The school newspaper and editors were cited for winning national and state honors in the 1967 School Press Project which was conducted throughout the nation.

Lassie and Cathy and the other winning editors and faculty advisors toured the Lansing State Journal where they observed the operation of a large daily newspaper. They lunched at the Lansing Press Club where they received Certificates of Honor for their school papers. Afterwards, they toured the State Capitol.

TEN YEAR PIN RECIPIENTS at the recent PCHA banquet honoring employees for service were, from left, Robert Gourley, Rose Giza, Dr. Karl Klicka, executive-director; Catherine Dobbs, Beverly Hisey and E. J. Mathia. Not present were Wayne O'Neal, Leonard Sudak and Mary Sue Striet.

RECIPIENTS OF FIVE YEAR PINS from PCHA recently included, from left, Donald Chester, Dr. Karl Klicka, who made presentations; Marjory Cantrell and Columb McGill. Not present was Judy Walter.

AS PRESENTLY PROPOSED

Huron Manufacturer Also for No Vote on Sewer Programs

NEW BOSTON -- Carl Rush, a Huron Township manufacturer and professional engineer, urged township residents to vote no in next Monday's, May 6, Special Referendum Election on a proposed new sanitary sewer program.

Rush is asking for defeat of two proposed Contract Propositions calling for an estimated total sewer program construction cost of \$4,050,000, stated that he is not against new sanitary sewers for Huron Township but in the method proposed for financing them.

He claims that present proposed sewer projects can be built cheaper by other Federal and State means that are soon to be available for the financing of sewer projects.

RUSH is owner of the E & B Manufacturing Company, Inc., 29604 King Road. He is also a member of the Huron Township Board of Education.

His opposition to the manner in which the proposed sewers are to be built is that of a taxpayer and township business man and not representing the School Board.

Michigan Water Resources Commission has issued a directive to the township to install the sewers for the elimination of pollution in the Huron River. And if voters rejected the project, the commission could get a court order of compliance upon testimony that the river is being polluted, township officials stated.

To this, Rush countered that an Oakland County court test, initiated by the commission, to compel Lake Orion to install sewage treatment facilities brought a decision in July, 1967 from the Circuit Court judge to order the municipality to make improvements but conditioned its decision on its receiving federal funds.

He stated that this decision, in his opinion, would be binding in Huron Township if voters should choose to defeat the program as proposed for federal and state financing programs that will soon be available for sewer programs.

Under present proposal before the voters next Monday, Rush countered that the township would pay for 80 percent of costs through bond issue that would be retired by a six mill tax levy, a U.S. grant of \$452,000, and payment of \$75,000 from Lower Huron Metropolitan Park Authority for its share.

Under a recently adopted state program, (a \$335 million matching program with U.S. relating to the construction of waste treatment works and water pollution control research and programs) the cost to Huron Township would be 25 percent, with federal paying fifty percent and state paying 25 percent of construction financing.

AREA RESIDENTS COMPETE

Now-extinct K-F Cars' Rally

To be Held at Milan, May 5

BELLEVILLE -- Kaiser-Frazer cars from all over Michigan and Ohio will converge on Milan, Michigan Sunday, May 5.

Attending the rally will be Mr. and Mrs. Kenneth B. Mericle of 47090 Denton Road, who will drive to the meet in a 1954 Kaiser Darrin sports car.

Mericle is a member of the Michigan-Ohio "Seaway" division of the National Kaiser-Frazer Owners' Club.

The local meet is being sponsored by Mr. and Mrs. Robert Heiser of Bridgewater, Michigan, assisted by Gary Brown, operator of Milan Sales & Service, Milan; Mericle, and Alton Sabin, Inkster, President of the Seaway Division.

CLUB MEMBERS swap cars, parts and talk, and show great pride in their Kaisers, Frazers, Henry J's (remember Kaiser's premature "compact car?") and other K-F related products.

The national group has regular conventions, publications, parts and technical services, and anything else to keep the K-F cars going. Members enjoy a nationwide fraternity that throws out the welcome mat for anyone who drives a K-F car or that they have come to know through their K-F club.

Last year the Seaway group met with other regions for a national convention at Hamilton, Ohio, in connection with Hamilton's old car festival, a nationally-known affair. Plans are being made for a 1968 convention in Golden, Colorado.

Enterprise-Roman readers may recall that Kaiser, a multi-millionaire industrialist, died Aug. 24, 1967.

Mr. Frazer now lives at his home in Rhode Island. These

two men wowed the public in 1946 with the most modern-looking cars anyone had ever seen. Thousands put out cold cash to insure their getting one of the new cars, even though they were not allowed to touch, ride in, or drive the two handmade show models on display.

Many hundreds of thousands of K-F cars were built after the war, but enthusiasm turned to apathy as other makers copied K-F styling and came on strong with better dealer service networks and sales programs and enduring trade in values.

Frazer cars were discontinued in 1950, Kaisers in 1954. Kaiser Industries bought and still maintains the old Willys plant in Toledo, where Jeeps are built under the Kaiser name.

Rumor Clinic Conducted at Relations Meet

BELLEVILLE -- The Belleville Area Human Relations Council held their regular monthly meeting last Tuesday (April 23) at the Sumpter Neighborhood Action Center, Sumpter Township.

Guest speaker for the evening was Ty Hinton, City of the Detroit Commission on Community Relations, Education Service.

For his program for the evening, Hinton conducted a Rumor Clinic. Using a slide projector to flash scenes on the screen, and with seven volunteers from the audience, he demonstrated how easily rumors are started and how they grow. By the time the seventh volunteer heard the story, there was no similarity between what the first person actually saw and what the seventh person heard.

A question and answer session was held after the demonstration wherein the audience learned in more detail how the Rumor Control Center operates. Hinton pointed out that two new Rumor Control Centers are being opened in the Westland and Wyandotte areas.

Refreshments were served after the program.

The Council is hopeful that Mayor Royce E. Smith of Belleville and Van-Buren Township Supervisor Louis A. Toth will set up a local rumor control center as advocated by Wayne County Officials.

The telephone number for the Wayne County Rumor Control Center, established to serve the area outside Detroit, is 721-6800. The number for the Detroit Rumor Control Center is WO 319550.

Enters Marines

BELLEVILLE -- Pvt. Michael V. Klimecki, son of Mr. and Mrs. Robert Klimecki, 10021 Clayton, left last week for the United States Marine Corps Boot Camp.

All men who enlist from the Michigan area will go to Sunny San Diego, California, for their Boot Camp, then on to a greater future.

Douglas Cullin

To Be Honored

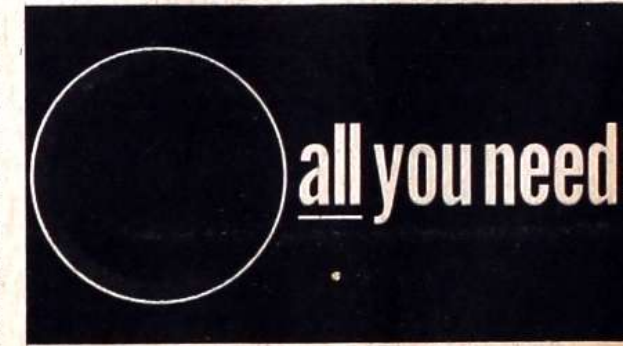

BELLEVILLE -- Douglas Cullin, 123 East Columbia, will be honored at a three-day convention for outstanding State Farm agents beginning May 20, 1968, at the Queen Elizabeth Hotel in Montreal, Canada.

State Farm President Edward R. Rust will make the keynote address, and a panel of specialists will review company and industry developments. At conference sessions, agents will exchange ideas and discuss company plans with home office executives.

Convention highlights include a special President's Club luncheon honoring the top 50 agents in all four lines of insurance, a buffet supper honoring top fire lines producers, and a banquet for agents and their wives.

'Handclasp' Seeks A Hand!

School Supplies, Hygiene Items Sought for Vietnamese Children

By ROGER TURNER

Western Wayne residents - including youngsters - interested in helping children in war-torn South Vietnam can now make needed and constructive contributions, according to area Marine recruiting sergeants Norm Wypycha and Dave Larson.

The program is called "Operation Handclasp" and its goal is to provide school supplies and personal hygiene items for South Vietnamese children - mainly in villages where U.S. Marines themselves are helping to build schools.

Needed are literally thousands of items - pencils, paper, erasers, crayons, coloring books, pencil sharpeners, soap, toothpaste and brushes, combs, small sewing kits and other articles which can be of service in helping a South Vietnamese child get started in school.

Adult sponsors and coordinating groups like the Veterans of Foreign Wars, Army-Navy Unions, Chambers of Commerce and others throughout Western Wayne County are already in the process of mobilizing to help with the project. But the main need now is for the necessary items to be collected so they can be properly packaged and mailed, the Marine recruiters note.

VFW Posts are acting as collection points for goods contributed and are active in handling and shipping prepared boxes to Philadelphia from where they will be sent overseas to Marines for distribution.

Operation Handclasp is a program started by the U.S. Marine Corps as a result of need in various villages throughout the South Vietnam countryside where supplies either are not available or not accessible to the children under normal circumstances, Sgt. Wypycha notes.

"Many times the only school around is one built by Marines," he said. "Sometimes the Marines build a school because there was none. Other times it is because they or other forces may have destroyed whatever school existed in the course of battle.

"The South Vietnamese people are fairly clever, intelligent people and most of them seem to want an education for their children. But they have many problems just in existing sometimes and there is really little or no money for school supplies or books in most cases. And, unfortunately, the level of personal hygiene is rather poor."

"Marines and other U. S. servicemen probably do as much or more direct good for the children of South Vietnam than any other agency including the existing government," Larson said.

"Much of it isn't particularly organized at first, but it isn't unusual at times for either a few or a whole group of Marines to practically adopt an entire village. There are many instances where they have literally built a school or other facility and sometimes even try to run it.

"Being in a place like that and seeing the direct good that can be done is probably the most rewarding aspect of serving in the military," Larson added. "You just know while you're there that if you could only show this to the people back home, they would chip in and make things right again."

Items sought in Operation Handclasp are all to be packed in shoeboxes, so donors are urged to consider that in gathering items.

Information on the project or calls to arrange for collection of goods should be made initially through Mrs. Julia Swarlout, who is affiliated with VFW Auxiliary at both State and Western Wayne levels, at PA 1-6364.

If she is not available, the Marine recruiters Wypycha and Larson may be called at PA 2-9500 for information.

Since its inception in Western Wayne about three to four weeks ago, the program has already broadened into a statewide effort and some groups have already completed projects. A group at John Glenn High school in Westland was first, Larson said.

"Between now and school vacations we hope to see quite a few more groups involved," Wypycha added. "The project is one that should have special interest to Cub Scouts, Boy Scouts, church groups and other younger people's organizations because it is something that is within their financial capabilities."

However, overall, the project is shooting for adult participation on a broad scale, too. Letters are currently being prepared for mailing to business and industrial concerns for help. Some have already contributed.

"The manager (Paul Wenzel) at the Westland K-mart store has already arranged for several cases of pencil sharpeners to be delivered for packaging. Some other businesses are also doing the same type of thing," Wypycha noted.

Food stuffs, reading materials and clothing are not

sought for the packages, but will be accepted in some cases, the Marines added.

"We want to help the children get started and interested in going to school and learning," Larson added. "Things like pencils, paper, crayons, coloring books and the like are the best. Kids of any age can use these or play with them and if we can keep them supplied they stand a much better chance of staying interested in school."

The Marines invite any individuals - child or adult - interested in helping with preparation of a kit to call either them (PA 2-9500) or Mrs. Swarlout (PA 1-6364) for information or pickups.

HERE YOU ARE! - Capt. Robin V. Nicoli, commander of A Company, 3rd Shore Party, Battalion, hands a piece of bread to a little girl at the Sacred Heart Nursery School and Orphanage in Danang. Marines, with assistance of local citizens, businessmen and service clubs, now are seeking quantities of basic school supplies through "Operation Handclasp" for youngsters like these and others.

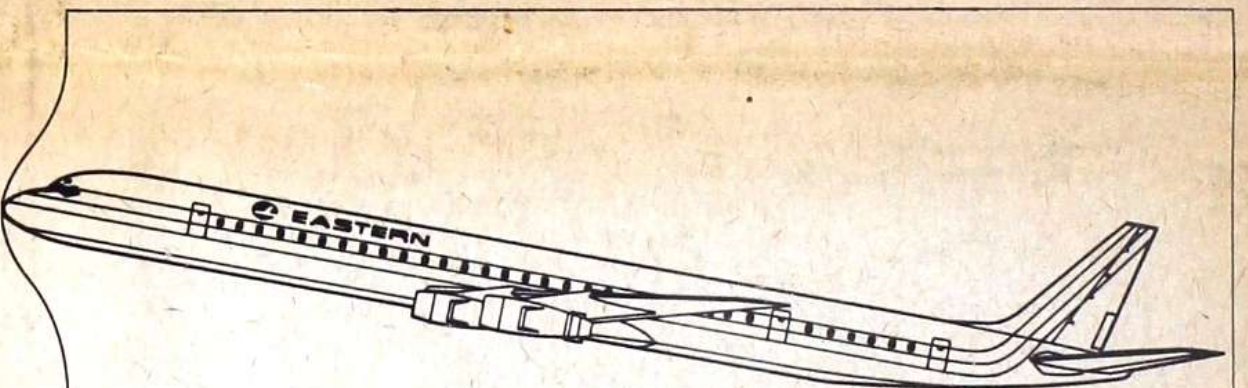

OPERATION HANDCLASP--Marine photographer Lance Corporal Denny Rudnicki, Mike Company, 3rd Battalion, 5th Marine Regiment, hands out soap to a Vietnamese boy of Ky Long Village. Through "Operation Handclasp," Marines are now seeking contributions of personal hygiene and school supply items for children of Vietnam.

EAR FOR MUSIC--Corporal Stephen R. Gutache, trumpeter with 3rd Marine Division Band in Danang, Vietnam, takes time from his duties to give music lessons to Owa, a first grade student. Owa forced a single musical note from the instrument, but will be doing better in basic education with help of supplies Marines are soliciting throughout Western Wayne County and other parts of Michigan currently in a project called "Operation Handclasp."

START OF LEARNING - A Vietnamese girl near Danang holds her school kit that was given to her by CARE through the 3rd Engineer Battalion, 3rd Marine Division. With local help, thousands of similar kits will be put together, packaged and shipped overseas for distribution to school-age Vietnamese youngsters through "Project Handclasp."

HONORED BY HOST - State Senator Bill Faust (right) chats with State Democratic Party Chairman Sander M. Levin and Mrs. Levin at Thursday's buffet-reception for Faust's State Senate colleagues.

500 Attend Faust Fete for Levin

WESTLAND -- More than 500 area Democrats crowded the Wayne-Ford Civic League Hall in Westland last Thursday evening to honor State Democratic Chairman Sander M. Levin, at a buffet reception sponsored by State Senator Bill Faust (D-13th District).

Representatives from every community in the 13th Senatorial District attended, as well as large numbers of Democratic party workers, invited by Faust, to receive State Senator Levin and his wife, Vicky. Levin has been State Democratic Chairman for six months.

Among those in attendance were Mayor John Cansfield of Dearborn Heights, Councilmen Claude Howard, Paul Lada, Manuel Lentine and Patrick Norton of Wayne; Councilmen Virgil Gagnon, John Markes, Henry Lundquist and Justine Barns of Westland; Mayor Timothy Murphy of Garden City, and Councilmen Leonard Daksiewicz, Jack Mulhern and Robert Cullen of Inkster.

Among the State Senators who attended were James Gray of Warren, Raymond Dziedzic of Detroit, Arthur Cartwright of Detroit, Michael O'Brien of Detroit, John MacCauley of Wyandotte and Sen. Faust.

State Representatives who attended included Vincent Petitpre of Westland, James Tierney of Garden City, Josephine Hunsinger of Detroit, Edward Mihalak of Belleville and Alex Pilch of Dearborn Heights.

Mayor Thomas H. Brown of Westland presented Senator Levin with a key to the City and a certificate of appreciation.

Festivities included a snake-dance demonstration by local Democrats in honor of Senator Levin, who said to the crowd, "I declare the 1968 campaign in Michigan is now open."

Co-chairmen for the party were Russel Tuttle, who acted as master of ceremonies, and William Borusch, former chairman of the League of Westland Democratic Voters.

CROWD PLEASERS - State Senator James Gray of Warren is introduced to assembled Democratic partisans by Russell Tuttle, co-chairman of the Thursday evening buffet reception in honor of State Democratic Chairman and State Senator Sander M. Levin.

HONORED GUESTS - Local Democrat Gerald Harris entertains State Representative Josephine Hunsinger of Detroit and State Senator Michael O'Brien of Detroit (right) at the buffet-reception for State Senator Sander M. Levin. O'Brien is the senior member of the State Legislature, having served long terms in both the House and Senate.

Romulus Faces Ecorse for League Supremacy

LATE START COSTLY FOR BELLEVILLE '9'

Romulus and Ecorse appear to be heading for a title collision in the Twin Valley Conference and if they are not dethroned by one of the other teams by tomorrow then they'll clash head on Thursday for league supremacy.

Both teams have won their first two starts but must slip by rivals on Tuesday in order to force the showdown.

"We're playing them one at a time," said Romulus coach Lowell Johnson, whose team finished second in last year's

Suburban Six Conference season on a low note, losing to Allen Park 3-1.

Coach Vitold Kaminski's Tigers have four games on their schedule this week, two of them league matches.

Ritthaler pitched scoreless ball until the sixth inning when he gave up the Panther run which spoiled his shutout bid. Two walks and Bob Biggs' single to right field scored Rouge's lone run.

Romulus leaped on losing hurler Tom Baker in the first inning for two runs which were

enough to win the league opener. Tony Gray led off the inning by grounding out, then Ray Horn made it to first on an error by the shortstop.

Paul Seestedt walloped a double to score the first run and Tom Block's single to left brought home what proved to be the decisive margin.

Aside from those two hits in the initial inning, Romulus also collected a single from Ritthaler and Clark while Horn wound up with two for three. Fine defense play highlighted the Romulus victory. With bases

loaded in that sixth inning, Dean Jones came up with a peg to home that cut down the tying run and Gray's quick throw to the plate saved the Eagles shortly afterwards.

Ritthaler squashed the rally by striking out John Miharu for the third out. He found seven other strikeout victims while he walked four.

Paglia, in winning his second game in three starts, fanned eight and walked three in giving up two runs and five hits to the Flyers. Paglia's solo defeat came in relief in the first game

of the nonleague season against Ypsilanti.

Tom O'Neill took the loss, allowing six hits. He struck out four and walked one.

With two away in the first inning, Gary walked, stole second and came home on a throwing error. Block, who tripled in that inning, "died" on base. The Eagles got on the scoreboard again in the second with a single by Ed Clark, an error, and Paglia's base hit.

Gray, after forcing Seestedt at second in the fifth, did a repeat performance as he again stole

second and third and trotted home when the catcher over-threw the bag.

Romulus was to play Hamtramck on Monday and Belleville on Tuesday, if the weatherman cooperates.

Allen Park pounced on Belleville and losing pitcher Wilson Boone for two runs in the opening inning of their season and came up with another in the third to gain a 3-1 triumph over the Tigers.

Coach Kaminski yanked Boone out after three full innings after his starting hurler

yielded one hit and three runs. Belleville's only run of the game was scored in the fifth with singles by Dennis Billings, Norm Harrington and Bill Coffman who ruined Frank Listello's shutout bid.

Belleville did not hit the Jaguars, getting seven hits to Allen Park's three. Billings and Coffman bagged a pair of singles in three trips.

Belleville, which hasn't had a chance to warm up to the season as yet, will play another league game Thursday against Plymouth while on Friday they'll take on Taylor Center.

Romulus Launches Title Defense Downing Flyers

Romulus thincads shot down Willow Run's Flyers to open up the Twin Valley Conference dual meet season and the defense of their track crown with a decisive 78-1/2 - 39-1/2 victory.

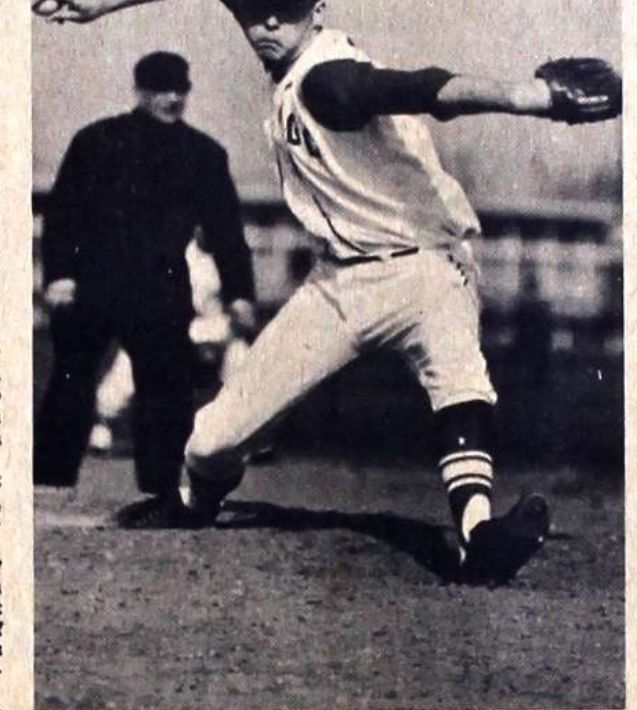

Coach Ed Baum's Eagles flew by the Flyers, hitting first places in nine of the 14 events with Larry Smith and Warren Bonam getting double "Bull's eyes."

Smith was first in the high hurdles with a 15.9 performance and then came up with a 20.2 in the low while Bonam leaped

19 feet, 10-1/4 inches for the long jump and was clocked in 54.1 for the quarter-mile for his double victory.

"We are improving with each week," said veteran coach Baum, "and we look good in some events but need a lot of improving in others. We still have a long way to go in order to get ready for the regional and league meets."

Romulus which was to meet Robichaud last Tuesday was forced to call the meet off with the Canines because of adverse

12 HIGH SCHOOLS COMPETE Belleville to Host Ninth WW Relays on Tuesday

With the accent on depth, a field of 12 area high school track teams are set to battle for the Western Wayne Relays title. The relays will be held on Tuesday at Belleville High.

In its ninth year, the annual meet has attracted teams from Garden City East, Garden City West, Wayne Memorial, John Glenn, Livonia Bentley, Franklin, Robichaud, Inkster, Romulus, Taylor Kennedy, Taylor Center and Belleville.

Bentley, the defending champs, will be challenged for its crown by undefeated Romulus which was runnerup in last year's meet. Wayne

Memorial, a team which could cause many surprises, is another that could upset the champs.

The 12 teams will be competing in 12 relay events including a two-mile run. The winning team and coach will be awarded a trophy, while teams and athletes finishing in the first five places will receive ribbons.

The WW Relays, co-sponsored by the Associated Newspapers, accents not only individual achievements but team

"depth."

The meet will begin with the field events at 5 p.m.

Harry Hidenfelter, meet manager, said he expects WW records to tumble.

"With the times' some of these boys and teams are showing, I'm optimistic that we're going to have several new records in this meet. Of course, much depends upon the type of weather we get on Tuesday."

The public is cordially invited - there is no admission charge.

THE SPORTS MERIDIAN

By Tom Mooradian

Never On...

Sunday, I usually find sanctuary in my office. My typewriter, the psychodetic bulletin board and my own voice get along quite well. An occasional crack from the telephone doesn't disturb us - we enjoy playing whiz kid for guys who ask questions like, "When did Lou Gehrig quit?" or "How high is the rim of a basketball goal from the court?" or "Why do the boards of education always threaten to cut out competitive sports when a millage vote approaches?" or "How come Cherry Hill wasn't invited to the Western Wayne Relays this year?"

The only question I feel I wasn't able to amply answer was the latter, I, therefore, came in touch with Harry Hidenfelter, who, with the assistance of Don Donke, now athletic director at John Glenn, is the founder of that annual event which has grown from a six team affair in 1959 to an anticipated 12 high school field for this year's meet, which is, incidentally, co-sponsored by the Associated Newspapers.

"How come," I asked Hidenfelter, "that you left Cherry Hill out of the relays this year?"

"This year?" replied the Belleville athletic director. "They were never in it."

"Then I want my trophy and ribbons back," I said.

"You can have them," came the answer.

"Seriously, Harry, can't we get those guys into the meet, make a little room for them?"

"I wish we could," he said. "We have 12 schools which have accepted the invitation to compete and eight lanes and 12, really 12, is the maximum we can handle."

"We're at the point of saturation," Hidenfelter continued, "but if and when one of the 12 drops out, we will gladly give Grasley a call."

"I respect the work Coach Grasley is doing over there at Cherry Hill with his track team and I know they'd be a fine team for these relays."

So, Joe, you and your Spartans will have to wait until one of the 12 decides it has had enough.

Do you recall those three cagers from Garden City East who were the mainstays of coach Billy Joe Young's team - Mike Maciasz, Rick Clack, and Charlie Sakmar?

Well it appears that this trio isn't going to split up. All three boys, who helped East to an undefeated Mid-Wayne season, to district as well as regional titles, and led the Panthers right up to the Class A quarter-finals, will be playing together at Olivet College.

They'll be playing for Coach Gary Morrison.

WIN DROUGHT IS OVER! Huron Tops Aquinas, 71-47

It took Huron's tracksters three years, but they finally did it! The Chiefs won their first dual meet to end the track victory drought. And non-conference rivals, St. Thomas Aquinas of Southgate, was their victim.

Coach Tom Grange's boys earned the victory, 71-47, taking two of the four field events. Larry Matlock and Ed Machinski finished 1-2 in the pole vault, while Eddie Smith leaped 18 feet, 3 inches to lead his teammates in the long jump.

Ollie Swim and John Johnson placed second and third with 16 feet, 11 inches, respectively. In the high jump, Machinski was also second.

Grange's speed-relay team of Johnson, Smith, Swim and Rich Brown wound up first with a 1:37.4 clocking, and in the two-mile run Jon Schlager trotted in second with a 11:42.6 effort.

Therle Dregansky's 5:36.6 in the mile run gave him a third place.

Swim, with an 18.5, captured the 120-yard high hurdles with teammate Matlock in third place and in the 180-yard low hurdles second with a 23.4, with Jeff Reeves third.

Ernie Demyan's 2:14.1 was the best result in the half-mile run. He led Harold Franklin across the finish, while, and in the quarter-mile, Rich Brown was timed in the winning time of 55 flat. Randy Clark was third with a 55.5.

Eddie Smith wound up a triple winner when he polished off the 100-yard dash in 10.8 and the 220 in 24.3, beating teammate John Johnson to the wire in both events.

The mile relay quartet of Harold Franklin, Demyan, Dregansky and Clark was

clocked in 3:53.7.

Huron opens up its final Lake Shore Conference season on Thursday as guests of Mason. That meet is scheduled for 4 p.m. The league will be dissolved at the end of the season and the Chiefs will move on to the Huron Conference.

Top Race Riders Vie at Hazel Park Course

Two \$7,500 handicaps will headline the 10-race card at the Hazel Park Race Track Saturday, May 4. They are the Great Lakes Handicap for three year olds and up, and the Hillsdale for three year olds, each at one mile.

Thoroughbred racing will continue daily except Sundays at the Hazel Park Track, Dequindre and Ten Mile Roads. The post parade for the first race starts at 2:10 on Saturdays and holidays, and at 3:20 on other days.

The present Hazel Park meeting has attracted perhaps the finest array of race riders in the history of the track. Included among the saddle-smiths are several past track champions, including Bob Gallimore, Larry Snyder, Ronnie Campbell, Ronnie Baldwin and Tommy Barrow.

Insiders agree that this could be the year when a jockey breaks the 100-victory barrier at the track. Gallimore might have brought it off last year if the meeting had not been shortened by five days. He scored 97 winners in the abbreviated 79-day campaign.

That far surpassed the effort of Charles Baltazar, who brought in 88 winners as an apprentice in 1965. Curiously enough, Larry Snyder was the third-highest winner in track history when he reached the victory circle 86 times last year, but all that got him was second place in the standings behind Gallimore.

The most efficient rider in track annals was the legendary L. C. Cook, who was astride 87 winners in 1951 - in a 56-day meeting.

Paul Hall crossed the finish line first in the two-mile run with a 11:15 clocking and freshman Garrard Pettus leaped 19 feet, 11-1/2 inches to win the broad jump.

Larry Merritt settled for a tie for first in the pole vault, finishing up with 10 feet for his efforts.

Hall, aside from his winning two-mile performance, placed second in the dashes. He ran a 10.7 for the 100 and came back with a 24.2 for the 220.

Pettus was runnerup in the high jump with a 5 feet, 6 inches for his try and Steve Eller trailed Hall in the two-mile.

Also picking up second place were Fant, in the 440; John Quinley, in the 880; and Pettus in the high hurdles.

Coach Marland Howard's trackmen have a busy week of competition ahead of them. The Tigers clash with conference foes Redford Union on Thursday in an away meet, and will travel to the Albion Relays on Saturday. On Tuesday, they'll host the annual Western Wayne Relays.

Kuryliw's Netmen Come Up with 2nd Win, Nip Franklin

Would you believe two in a row for Romulus' tennis team? No, you don't, not losses, but victories. That's right - that doormat in the Twin Valley Conference and everywhere else for the past three years, has suddenly come alive to win its second straight match.

This time coach Zane Kuryliw's Eagles tripped up Livonia Franklin and coach John Graves, 5-2.

"They're the most improved team I've seen," said the Franklin coach after the meet. "The rate they're going can cause a lot of headaches around here."

Kuryliw, a veteran player himself, said the boys were working hard - even on Sunday to prove that they can win.

Romulus' No. 1 stick, Andy Kozarian, continued his fine play with a two-set win of 6-1 over Gary Crandell and teammate Gary Selle stopped Randy Fotu in two sets of 6-1 and 6-0 while Bill Roseburr picked up the No. 3 singles, going the distance with Tom Yonish.

Roseburr fell behind 8-10 in the opener but came back to take a pair 6-4.

Romulus yielded in the No. 4 singles where Franklin's Chris Stearns emerged with a 6-3, 7-5 victory over Woody Barker. And the Patriots also won the No. 3 doubles with Bruce Horst and Ray Lenz turning back Larry Schattilo and Pat Gaddy on sets of 6-2.

In the first doubles Ted Gilliland and partner Howard Meyers proved better than Eric Barr and Don Holzanger 7-5 and 6-2 while Pete Landini and Dennis Wessel, who looked sharp near the net, overcame Bob Fredeway and Bob Schilling in three sets of 6-1, 4-6 and 6-3.

Romulus opens up Twin Valley Conference competition this week, taking on Ecorse and River Rouge.

REGULAR MEETING
MARCH 11, 1968

The meeting was called to order by the President, Carl W. Morris at 7:32 p.m. in the offices of the Board of Education.

Roll call showed Member Canejo absent. Messrs. Mc-Coneghy, Jakad, Janack, Joel Piell of Miller, Canfield, Paddock and Stone and Julius Pochelon of Kenower MacArthur & Company were also present. The bids were officially declared closed on the sale of the Bonds.

There were no bids on the \$3,400,000.00 Bond Issue. Mr. Pochelon discussed the next procedure for the Board to follow.

A resolution prepared by Miller, Canfield, Paddock and Stone was presented to the Board by Mr. Piell.

Motion by Budd, seconded by Draper, that we submit the resolution as prepared by Miller, Canfield, Paddock and Stone to Municipal Finance Commission in Lansing. Motion carried unanimously.

Mr. Canejo Entered the Meeting at 7:40 p.m.

The Board recessed at 7:48 for the signing of the resolution. The Board returned to regular session at 7:57 p.m.

The Communications were read by the Secretary.

Motion by Draper, seconded by Budd, that Mr. Morris represent the Board on the Romulus Township Industrial Coordinating Committee. Motion carried unanimously.

Motion by Draper, seconded by Oakley, that Henrietta L. Raymo's Status as an employee be held in abeyance until a future meeting pending advice from the Superintendent. Motion carried unanimously.

Motion by Budd, seconded by Hoffer, that we notify the Township that we are in concurrence with Ordinance #67 as developed by the Romulus Township Board. Ayes: 6. Nays: Canejo. Motion carried.

The President called for comments and/or approval of the minutes of February 12th, and February 26th, 1968.

Motion by Draper, seconded by Budd, that the Board approve the minutes of February 12th and February 26th, 1968, as presented. Motion carried unanimously.

BILLS FOR PAYMENT:
The regular bills for the Month of February were presented.

Motion by Draper, seconded by Canejo, that we pay the regular bills in the amount of \$295,650.07 when funds are available. Motion carried unanimously.

The Title I bills for the Month of February were presented. Motion by Budd, seconded by Hoffer, that we pay the Title I bills in the amount of \$1,629.99. Motion carried unanimously.

REPORTS:
Site of New Elementary School. The Superintendent reported on the available sites for the new elementary school and requested that the Board make a decision as to the site they preferred.

Motion by Budd, seconded by Draper, that the property on Merriman Road fronting the Emerald Green Estates be the site of the new elementary school. Motion carried unanimously.

MEMBERSHIP REPORT:
The membership report for the Month of February was reviewed and placed on file.

Personnel Recommendations:
The following recommendations were presented by the Assistant Superintendent:

Retirement and Resignations: Wilma Whitmer - Effective March 15, 1968.

Motion by Budd, seconded by Hoffer, that we accept the retirement and resignation of Wilma Whitmer as of March 15, 1968. Motion carried unanimously.

It was requested that some form of recognition be shown by the Board for the many years of service by retiring employees.

It was the consensus of the Board that a certificate be prepared for the Board to consider and approve.

Contracts:

Corzetti Jones
Motion by Lovette, seconded by Budd that we offer a contract to Corzetti Jones as of today, March 11, 1968. Motion carried unanimously.

Cafeteria Report.
The Cafeteria Report for the Month of February was reviewed and placed on file.

OLD BUSINESS:
The March 4th meeting with the Citizens Group was discussed by the Board. A new meeting was scheduled for March 26th at 8:00 p.m. in the Junior High Library.

The Board will meet at 7:30 p.m. on Tuesday, March 19th to review the financial needs for 1968-69.

NEW BUSINESS:
A discussion was held relative to the businesses at the airport leasing property from the Road Commission at a rate of \$1.00 per year.

Motion by Oakley, seconded by Budd, that the Superintendent contact the Township and get their views on this matter, then contact our Attorney and see what legal action can be taken on this matter. Motion carried unanimously.

Board of Canvassers:
The vacancy on the Board of Canvassers was discussed. A member of the audience, Mr. Gordon Silvey, indicated that he would accept the appointment to the Board of Canvassers. Appointment to be official after all legal requirements are fulfilled.

Motion by Draper, seconded by Hoffer, that the meeting be adjourned. Motion carried unanimously.

The meeting was adjourned at 10:03 p.m.

Respectfully submitted,
GERALD BUDD,

Sam Levin Reports on Endorsing

State Senator Sam Levin, state Democratic chairman, has been kept busy making the circuit of the many Democratic parties and rallies taken place in the area.

He is enthused by the number of qualified candidates filing for primary and fall elections and believes this denotes a new alertness to the field of political science.

While he himself as Democratic Party chairman, couldn't and is not personally endorsing any candidate in the primary election, he believes that the Democratic Party will unite in back of the successful primary candidate in the fall.

Thomas Taylor is Parachutist

NEW BOSTON -- Army Private Thomas F. Taylor, 19, son of Mr. and Mrs. Claude Taylor, 22222 Lucow Drive, received a Parachutist Badge (April 11) upon completion of the Infantry School's three-week airborne course at Ft. Benning, Ga.

Tigers Swing Into Golf Competition

Belleville and coach Bill Brandell swung into golf competition last week with a nonleague victory, trimming St. John High, 188-199, at the Washtenaw Country Club, but didn't fare well in a league meet.

Bob Perry fired a 41 for nine holes to emerge as medalist, while captain David Brawley was four strokes off the pace with a 45. Gene Turney carded a 49 in his initial outing and Chris Lountrent shot 50.

St. John's received a 48 from Dennis Husse and Doug Stadtmiller while teammates Bill Anhut and David Deyo wound up with 50 and 53, respectively.

Belleville, however, took a beating in a triangular meet with Suburban Six Conference adversaries Redford Union and Plymouth. The Tigers finished 17 strokes off from winner Redford who had 163 and 10 strokes from Plymouth.

The Tigers received a 41 from Brawley and a 44 from Bob Perry while Gene Turney came in with a 47 and Lountrent finished up with a 48.

Amy Was Always A Fighter!

But WCGH Care Helped Her to Observe More Birthdays

By JOYCE HAGELTHORN

AMY GARCIA CELEBRATED her second birthday last week at the Wayne County General Hospital where marvelling doctors, adoring nurses and Mama and Papa jumped to her every command.

Two years ago the doctors and nurses of the Obstetrics-Gynecology Department and the Pediatric floor held little hope for the 22-ounce baby that was placed in an isolette and left completely untouched except for feeding and cleaning for over a week.

Amy was three months premature, and was the second of identical twins. Her sister died a few hours after birth. Amy was a fighter... and against overwhelming odds she lived.

"We knew she was a fighter," Mrs. J. Silvani, head nurse of the Newborn Nursery at Wayne County General Hospital laughed. "That baby wasn't about to give up. There were days when it seemed she was barely breathing, and yet we were aware there was something that wouldn't let her give up. And, of course, there were her parents, Mr. and Mrs. Patrick Garcia, of Garden City. They used to stand outside the window and stare at the baby for the full half hour they were allowed there... and while they were there they were praying!"

"Amy is the first premature child of that weight in my experience to survive," she continued. "That baby went down to 1 lb. 7 oz. for over a week. We didn't dare touch her. We went only into the isolette to feed her and clean her, and then after several days the little tyke began to perk up."

Besides a will to live, what other factors enter into the chances of survival for a preemie the size of newborn Amy?

Dr. C. C. Bollinger, Director of Obstetrics and Gynecology at Wayne County General Hospital and Assistant professor of Obstetrics and Gynecology at the University of Michigan, feels that one of the main reasons little Amy survived lies in the personnel of Wayne County General Hospital and the excellent facilities.

"The level of care here is excellent," he said. "I don't know whether the general public realizes it or not, but the doctors in charge of the Ob-Gyn

Department are also affiliated with the University of Michigan Hospital. The obstetric service is completely integrated with the University of Michigan hospital. I think that is very important for people to know."

"It's very unusual," he continued, "for a 22-ounce baby to survive, so we have to recognize that much of her survival should be attributed to the excellent facilities and the devoted care by the staff."

"Prematurity is the big cause for the infant mortality rate which is always quoted in the press. It is true that our infant mortality rate is higher than other countries, and it is because of prematurity... babies being born way ahead of time."

"The reason we have such a high rate of premature births is because so many of our American women don't come in for prenatal care," he noted.

"I know this is surprising in an affluent society such as ours, but it is a fact that about one fourth of the women we deliver here in the Wayne County General Hospital have not seen a doctor," he said.

"And if they don't see a doctor," he related, "then they can't have correctable problems taken care of... such as nutrition, overweight correction of other illnesses which the patient might have and not even be aware of."

"Now Amy's mother," he continued, "did have prenatal care, which is undoubtedly one of the reasons the baby had a better chance at survival. We can expect about an eight percent premature rate no matter what we do... but we now have about 15% and if we could cut this down then more babies might be saved. Especially in areas such as this where the nursery care is above average, and where other obstetrical facilities are of the very finest."

The nursery in which Amy lived for over 100 days is owned by the county and is filled almost all of the time, according to Mrs. Silvani.

"We have 11 isolettes," she said, "with one always on standby. The minute the 11th is filled we put out a call and borrow one from Ann Arbor or other hospitals so that we are never without a warming isolette."

The hospital averages 120 live births a month and if the

baby is full term, born in the hospital and healthy, it is sent down to the main nursery. However, if the baby should be born on the way to the hospital or in the home, or even in the hospital bed outside of the delivery room, it is immediately put into isolation so that he will carry no hitchhiking germs to other babies, she adds.

If the baby is premature, then it is sent to the newborn nursery where it is kept in a warming isolette and watched over carefully by trained nurses until it reaches five pounds or within ounces of that weight.

Once the baby is moved out of the isolette and put into a crib, his mother can come in once a day and hold him and feed him.

"We are very fortunate in our continuity of public health here," Mrs. Silvani said. "Today I sent out a preemie. Tomorrow a public health nurse will call at the home and make sure she is all right, and advise the mother on her care. Then she will keep in touch with the baby until she feels it is safe to release her."

Although little Amy Garcia

was born with the will to survive, it did take more to keep that spark burning, and it is for this chance for life that the doctors and nurses of Wayne County General Hospital are dedicated. And it is so that their dedication will pay off that they urge all pregnant mothers to see their doctor... before the birth of the baby.

"Amy had a better chance because her mother did follow the rules for good prenatal care," Dr. Bollinger said. "That, coupled with our excellent facilities made Amy's second birthday today possible."

800 Jet Into "This Flying World"

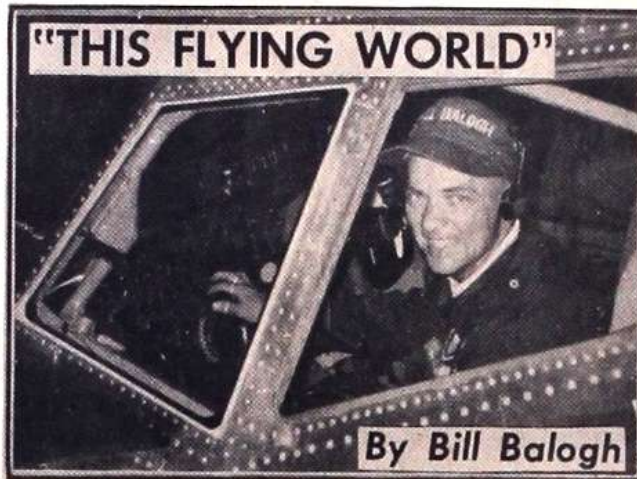

EIGHTY NINE STRONG--Wayne Free Methodist Church group, jetted into the wild blue yonder.

STEWARDESSES--Waynites Judy Dwyer, Shirley Ringley, pass out wings.

ALL ABOARD--Eager first flighters scramble aboard DC-9 Jetliner.

Scenic Jet Flight Sets New Record

OVER EIGHT HUNDRED readers of this column actually jetted into the "Flying World" this past weekend at nearby Metro Airport. Sponsored by this column and originally planned for one or possibly two flights of 100 people each, the demand for seats on the jet scenic flight went far beyond the farthest dreams of even this writer.

Approximately 1482 people phoned in wanting to fly with us. After overcoming the shock of such tremendous demand, management of North Central Airlines went to bat for us and came up with several additional flights. The last and eighth full flight took to the skies after dark at 8:15 p.m.

People came from every corner of Western Wayne County - Wayne, Garden City, Belleville, Inkster, Dearborn, Plymouth, Romulus were just a few of the communities that were represented. The Jet-flighters ranged from the three-month old son of a Sheriff's Road Patrolman to a 79-year-old grandmother taking the first airplane ride of her life.

From the many single individuals, the passengers came in family groups from two to a Romulus family of eight. A spot check brought out the interesting fact that 81 per cent of the people were taking their first airplane ride, and of the other 19 per cent very few had ever flown in a jet airliner.

King-size group of the day was the members of the congregation of the Free Methodist Church. This group arrived in church buses, 89 strong, to practically fill the second flight.

On take-off the scenic flighters yelled, screamed and awed with reaction such as witnessed on a roller-coaster ride. The different sensation is evident on the smooth, quiet and rapid take-off of a jet airliner. Within moments, noses were pressed against windows as the new wonder of the flying world unfolded beneath them.

Comments were quick in coming: "Look, they all look like doll houses," one youngster kept yelling to his father across the aisle. "Daddy, look, the cars, they all look like my dinky toys..."

North Central Chief Pilot at Detroit, Captain Dick Downs, stated that he had never heard such happy and enthusiastic reaction on a scenic flight of first riders. Captain Downs, with First Officer Curtis Quady, piloted the DC-9 jetliner on the first of the eight scenic flights. Other flights were piloted by Captain Oak Mackeye and First Officer Lyle Huettnr.

A highlight during the flight was the presentation to all passengers a souvenir pair of actual replica of the pilot's wings and a flight packet containing information and an actual color photo of the DC-9 jetliner. The two Stewardesses who had planned on working possibly two flights wound up working all eight flights. The young ladies, Miss Judy Dwyer and Shirley Ringley, are both residents of Wayne.

A gold imprinted "First Flight" certificate will be mailed within a few weeks to all passengers who made the flights during the day. It is ideal for framing as a memento of the flight.

The average flight had a duration of a half-hour and gave the opportunity for the first flighters to see Bay City, Saginaw and Flint from about 15,000 feet. The pilots gave commentary during the flight to keep everyone informed and in several instances flew both above and below the clouds for the benefit of the riders.

The aircraft, a Douglas DC-9-30, is the latest aircraft to join the North Central Airline fleet. Besides a crew of four, it seats 99 passengers and can cruise along at speeds of 550 miles per hour.

The success of this scenic flight day brought out the fact of the many people, young and old, are aviation buffs and love to fly. This writer, with the media of this column, was especially happy and thankful to all for the tremendous response to my invitation to "Come Jet With Us". Thank you for coming... and maybe someday we will fly together again. Happy Landings!

HOURS LATER--the lines just seemed endless for the jet flights.

YOUNGEST AND ELDEST--to jet into the Flying World were three-month-old Gerald Lunden Jr. and 79 year-old Senior Citizen Mrs. Meta Shotka, a grandmother who lives in Wayne.

SCRAMBLE--No time wasted between flights.

MRS. R. SZABO.
"Lets fly again"
(Westlander)

MRS. H. KING.
"Just loved it"
(Garden City)

FLYING FOURSOME--Michael Korvun of Livonia, Jennifer Roberts of Livonia, Laura Balogh of Birmingham and Perry Roberts also of Livonia.

KELLY ANN LAKE
" Like a million doll houses"
(Romulus)

LANCE LESKASKA
"Cars looked like Dinkey Toys"
(Romulus Twshp)

AFTER FLIGHT RELUCTANCE--to depart from the jet was evident.

FLIGHT HAPPY STAFFERS--were greeted by North Central Traffic Manager, Westlander Dick Mendell after jetting aloft. Left to right: Don Robinson, ANP Advertising Manager. Joannie Hines of the Inkster Bureau. ANP Publisher, Mr. Wes Willett, Dick Mendell and Mr. Claude Hines of Inkster.

FLYING WORLD --readers ready to board first of eight flights at 3:0'clock.

READY TO BOARD--Gates at the jet scenic flight area were filled to capacity for over eight hours.

Huron Valley Youth for Christ Will Hold Final Rally on May 4

ANN ARBOR -- The Huron Valley Youth for Christ will hold its final rally of the year, Saturday, May 4, 7:30 p.m. at Ann Arbor High School.

Featured in the rally will be Chuck Ohman from Hazel Park, Michigan, and Dr. Sam Wolgemuth from Wheaton, Illinois.

Chuck Ohman is considered one of the outstanding trumpeters in the country. Formerly with Percy Crawford's Television Program, Youth on the March, he presently is Minister of Music at Calvary Baptist Church of Hazel Park. He has served this position for the last 11 years.

Dr. Sam Wolgemuth is President of Youth for Christ International. He is widely known as a Missionary Statesman as he has made 10 Missionary tours around the world.

In 1965 he became President of Youth for Christ International, the largest international youth organization in the world. Under his administration, contact has been made with youth leaders around the world. Youth for Christ world congresses have been held in South America, Europe, India, and Mexico, and he has spoken in Youth Conventions and Leadership Training Schools on a worldwide scope.

Expert Lists Best Lawn Weed Control Measures

"The most effective weed control measure for the home lawn is a healthy, vigorously growing turf that is regularly mowed to a height of 1-1/2 to 2 inches," says Gordon Dennis, District Extension Horticultural Agent, Michigan State University.

"Lawn weeds can often be eliminated by using chemical weed killers. But preventive maintenance, in the form of a well-kept lawn, gives the grass a fighting chance against competing weeds."

Dennis says every weed killer sold must have a label which states the recommended dosages and the weeds which the chemical should control.

MANY WEED killers are available as liquid spray materials, as well as dry granular materials for use in a spreader.

"Read the label, follow the directions given, avoid dust or spray drift to nearby sensitive plants and keep the chemicals out of the reach of children," advises Dennis.

Lawn weed control is broken down into two phases: pre-emergence and post-emergence.

Pre-emergence weed control includes applying chemicals prior to weed germination and primarily for the control of crabgrass and other annual grasses. This type of control should be applied in the early spring about the time Forsythia is in bloom.

SOME OF the recommended pre-emergence chemicals and their effectiveness for crabgrass are as follows:

Dacthal -- Remarks: Causes injury to bentgrass; short seasonal control.

Azak -- Remarks: Variable to very good control.

Betasan -- Remarks: Good to very good control.

Tupersan -- Remarks: May be used prior to seeding for control of annual grasses; very good control.

Bandane -- Remarks: Causes injury to fescues; moderate to good control.

Benflin -- Remarks: Causes injury to bentgrass; good to excellent control.

THE SECOND phase of control is post-emergence weed control where the chemicals are applied after the weeds have been germinated.

A combination of 2,4-D amine and silvex, applied at the rate of 1 pound of active chemical per acre, will control dandelions, plantains, clover, chickweed, black medic, creeping charlie, red sorrel and round-leaved mallow.

For controlling crabgrass, apply (DSMA) Di-Sodium Methyl Arsonate or (AMA) Ammonium Methyl Arsonate two to three times at weekly intervals when crabgrass is small (2 to 3 inches).

"There's no selective chemical for the control of quackgrass and tall fescue," notes Dennis. "If the problem is severe and bothersome, complete renovation may be considered using amitrole or dala-pone. Several weeks must elapse before reseeding the treated area."

Following the rally there will be two receptions functioning on a simultaneous basis. In the small auditorium at 8:30 there will be a Teen Reception led by Associate Director Bob Williams. Here, a trophy will be given for the outstanding teen of the year as well as a time for honoring graduating seniors.

Meanwhile in the west cafeteria there will be a President's Reception at which time the President will be met by adult sponsors of the local Huron Valley Youth for Christ Program.

This year's Youth for Christ Program will end with an Invitational Quiz on May 11, 10:00 a.m. to 2:00 p.m. in the afternoon at Grace Bible Church in Ann Arbor. During this time teams from all over the county will merge for quizzing competition. Then on Saturday, May 18, at Bethany Bible Church in Ann Arbor, there will be a final quiz competition as well as a talent contest.

The winners of this competition will go on to represent the Huron Valley Youth for Christ Program in State Competition to be held at Spring Arbor College in June.

Michigan Festivals Do Honor To Flower and Fruit Blooms

MAY is springtime in Michigan, a coming-alive time when the tulips bloom by the thousands in Holland and the blossoming orchards look like row after row of giant pink and white popcorn balls.

The May events calendar leans heavily toward outdoor activities highlighted by Holland's 39th annual Tulip Time and St. Joseph-Benton Harbor's 35th Blossom Festival.

Tulip Time is May 15-18 when Michigan's Netherlands breaks out in a profusion of colors with innumerable tulips and varieties.

The Klompers Dancers, 500 high school girls in Dutch dress and wooden shoes, are a favorite attraction and give several free performances daily.

NOTED FOR their cleanliness, the Hollanders scrub the street, hold square dances and stage parades. Tulip Time visitors can tour a wooden shoe factory, a typical Dutch market and see the 12-story, 200-year old windmill, "De Zwaan," brought over from the Netherlands and re-assembled here.

Just down the Lake Michigan shoreline from Holland is the St. Joseph-Benton Harbor Blossom Festival set for May 12-18. It opens with the traditional blessing of the blossoms in one of the area orchards.

Twenty-nine lively Blossom Queens, fashions, dancers and a Count Basie concert lead up to the May 18 Grand Floral Parade, the highlight of the week. Colorful floral floats from around the state, numerous bands and celebrities make the parade one of southwest Michigan's biggest annual events.

Van Buren Proclaims Health-O-Rama Week

BELLEVILLE -- A Proclamation designating the week of May 12 through May 18 as Health-O-Rama Week in Van Buren Township was issued by Louis A. Toth, township supervisor.

Toth's action was upon request of the Women for the United Foundation (WUF) which is sponsoring a series of Health-O-Ramas throughout the areas from April 25 to June 9.

Each Health-O-Rama featured exhibits, demonstrations and medical tests by 26 Torch Drive agencies. There is no charge for admissions nor for any of the tests and there are no collections.

HEALTH-O-RAMAS will be held at Westland, May 16-18; at Eastland, May 23-25; and Wayne State University, June 8 and 9. Toth's Proclamation stated:

PROCLAMATION
Women for the United Foundation
Health-O-Rama Week
May 12 through May 18, 1968

WHEREAS
The health of every member of our society is a common concern best served by the early detection and prompt treatment of illness, and

WHEREAS
This community service will focus attention on the importance of annual physical examinations and familiarize the residents of this area with the work of Torch Drive health agencies and other community resources, and

WHEREAS
More than 30 educational and scientific exhibits and 12 free medical tests will be offered in the interest of promoting and safeguarding the health of the total community:

NOW THEREFORE
I, Louis A. Toth, do hereby proclaim May 12 through May 18 as "Women for the United Foundation Health-O-Rama Week" in Van Buren Township and urge all residents to avail themselves of this opportunity to undergo the free tests for the early detection of disease and learn more about the advantages and resources of Torch Drive health services.

Assessor Is Sought By Romulus

ROMULUS -- An experienced assessor and appraiser specializing in personal property for local tax purposes is being sought by Romulus Township Board.

Edmund Blizek, township supervisor, reported that salary will commensurate with the successful applicant's experience and qualification.

Applicants are requested to submit a resume and mailed to P. O. Box 334, Romulus Township. The position to be filled was proposed by township's electorate at their annual meeting March 31, and later approved by the township board.

Indians made their winteroccasins from bear, Buffalo or seal skins.

DESIGNED FOR YOUTH Horticulture Projects Are Popular With 4-H

The nation's 3 million 4-H Club members are versatile as well as dedicated to make the best use of "head, heart, hands and health." Dozens of projects are offered by the Cooperative Extension Service.

They are designed to develop confidence and skills. Learning by doing leads to home and farm projects that benefit the youths and their families as well.

One such project is horticulture. Its broad scope covers ornamental gardening, raising produce for home use and for sale, architectural landscaping, and keeping up the home grounds.

To encourage the young gardeners in their work, Allis-Chalmers, the national 4-H Horticultural program sponsor, offers annual awards including six national scholarships, and trips to the National 4-H Congress in Chicago.

EXAMPLES OF what some 3930 Newberry, Wayne, of last year's top 4-H'ers did were to earn money for school by marketing fruits and vegetables at roadside stands and local grocers; experiment with soil and cross breeding of plants, and plan long-range landscaping projects to enhance value of their homes.

Improving and beautifying their own neighborhoods has long been a practice of 4-H Club members, and those enrolled in the horticultural program make a great contribution in these efforts, observe 4-H leaders.

Community projects also are undertaken such as landscaping church grounds, small parks, ways, memorial gardens and the like.

Any boy or girl between 9 and 19 years of age interested in starting a 4-H Horticultural project should contact the county extension office.

The local office is located at 3930 Newberry, Wayne.

LOCAL WINNERS COMPETE International Students' Science Fair Set May 15

Area residents will have a chance to see the work of the finest young scientists in the world when the International Science Fair comes here for the first time on May 15-17.

More than 400 high school students, all winners of local science fairs, will come here with their sponsors for the competition.

They will come from all areas of the United States, Germany, Japan and several other countries. Both boys and girls will be competing but their entries will be judged separately.

The International Fair will be open to the public, in Cobo Hall, on Thursday and Friday, May 16 and 17, giving Detroiters an opportunity to compare the work of students in this area with efforts of students throughout the world.

The Metropolitan Detroit Science Fair was held in Cobo Hall, April 5 to 9.

WHILE THEY are in Detroit, the students and adults who make up the official party will have seminars as well as parties and tours of the city. One day-long tour will be to the General Motors Tech Center in Warren.

The visiting students, and two winners from the Metropolitan Detroit Fair, will be competing for more than 100 awards made by Science Service, Inc., of Washington, D.C., under whose auspices the fair is conducted.

The fair here will be conducted by Metropolitan Detroit Science Fair, Inc., which is sponsored by the Engineering Society of Detroit and The Detroit News with financial support from Detroit area business firms.

FOR TOP EDUCATOR Alonso is Guest Speaker At State Jaycee Banquet

EAST LANSING -- Braulio Alonso, president of the million member National Education Association (NEA) will be the guest speaker for the Michigan Jaycees Outstanding Young Educator banquet May 23, at the Union Ballroom, Michigan State University.

The announcement was made by Chip Tassone, OYE State Chairman from East Lansing. The East Lansing-MSU Jaycees are hosting the project for the second consecutive year.

The NEA president was among the 30,000 Florida teachers who resigned in February in the nation's first statewide mass resignation of teachers. He was principal of King High School in Tampa.

ALONSO EARNED a bachelor's degree from the University of Tampa, master's and Rank I (doctorate equivalency) from the University of Florida. He has been a professional educator for over 20 years.

Several local Jaycee chapters have entered candidates for the State OYE program, according to Tassone, and more are expected before the May 1 deadline.

The state OYE winner will be selected by a panel of judges and announced at the banquet.

Judging criteria for the awards program includes professional background, teaching skills, instructional procedure, self-evaluation and contributions to the professions, community, state and nation.

The OYE program, developed and sponsored nationally by the United States Jaycees, is designed to foster community understanding of the teaching profession.

Franchise Election Delayed

BELLEVILLE -- The holding of an election on the renewing of Detroit Edison Company's franchise in Van Buren Township has been delayed pending further legal conferences, Louis A. Toth, supervisor, announced.

Both township and company attorneys are currently studying language changes in the franchise to provide for remonstrations of the Township Board.

When these changes are agreed upon, the Board will then act on the franchise renewal and place it before the township voters for their approval.

2 Area Students Receive Degrees

BELLEVILLE -- More than 1,500 Western Michigan University students were awarded degrees during the winter semester commencement ceremonies held April 20 in Read Field House.

Among these students were: Donald W. Hienfeldt, Jr., of 42195 Expressway who received his Bachelor of Business Administration Degree; and Miss Lucille Barbara Fraiss of 85 Liberty Street, who received a Bachelor of Arts Degree and Certificate of Secondary Education.

and convenient way to save regularly. Surprisingly enough," he added, "about 13 percent of those war bonds have never been cashed, but are still earning interest for their owners."

Cote pointed out that the current Series E bond is better than ever, paying the higher 4.15% interest and maturing in only seven years. Freedom shares, offered as a bonus to regular bond buyers, pay 4.74% interest and mature in four and a half years.

Increasing numbers of young parents, the State Director said, are saving for their children's college education through regular bond buying.

By having bonds issued in the child's name, he added, the Federal income tax liability becomes that of the child, resulting usually in little or no tax due on the accrued interest.
